FAQS

1. What is a Non-Academic Student profile?

A Non-Academic Student profile showcases your child's activities and achievements that display his/her dynamism beyond the classroom.

2. Why is a Non-Academic Student profile important?

With more students scoring top Academic marks, Universities find it hard to spot Academic and other acumen in students. Which is why, leading Universities across the world have increasingly started paying close attention to students' achievements beyond academics. They want dynamic students who display strong leadership, confidence and passion in their areas of interest

3. Where can I find courses/ activities to pursue to enhance my non-academic profile?

ProMap has a comprehensive list of activities and programs in its database which it matches through its proprietary algorithm to give a student his or her very own unique roadmap.

4. What kind of Non Academic Programs does ProMap recommend?

- Summer programs
- Internships
- Olympiads
- Online Courses
- Indian and Global Competitions
- Exchange Programs
- Performing & Fine Arts Programs
- ...And much more!
