

Introduction to Pilot Courses

Why? Who?
What? Where?

Why become a Pilot?

Do you love the acceleration on takeoff? Do you love the sight of a ground covered fog in the mountains? Would you love flying over a big city at night? Do you love flying during the cold winter just to see the crispy white snow covered ground? And did you know that the most important person on an aircraft is the pilot?

Who should be a Pilot?

Any student who:

- Is mentally and physically fit and alert
- Has quick decision making ability

How do I get in?

Minimum eligibility is 10+2 pass with at least 50% marks in Maths and Physics.

Specialisations as a Pilot:

- Agricultural Pilot
- Test Pilot
- Major / National Airline Pilot
- Commuter Airline Pilot
- Freight Pilot
- Flight Instructor
- Military Pilot

Career as a Pilot:

- Challenging and Enriching Job Profile
- Excellent Pay and Perks
- Dignity, Status and Respect in Society
- Access to Sports and Adventures

Best colleges for Pilot Courses are:

India

- Indira Gandhi Institute of Aeronautics-Pune
- Flytech Aviation Academy-Hyderabad

Discover the Career Options Right for You

1 Initial Options

What are your career ideas?

If you haven't already given it a thought, then base it on influences from:

- Parents, family and friends
- Passion towards a subject
- Personal experiences
- Media and internet

Univariety probes and provides answers

Initial Options

Go to step 2

Instructions

- Follow this process, one at a time, to finalise career choices
- If the answer is 'No' at any stage then start from stage 1
- Do in-depth self research
- Complete details of this process and the questions around a 'Typical Day' Test are at www.univariety.com/courses

2 Hypothesis

Do you like it?

Remember the activities from the past which gave you joy and happiness. Does this career option similarly excite you?

Initial Hypothesis

Can you do it?

- Do you know how long it takes to get the degree?
- Do you like the subjects which you will study?
- Can you perform to get through to good colleges?
- Do you have the financial resources to support the degree?

Final Hypothesis

Go to step 3

3 Validation

Do you want it?

Do you like the:

- Nature of work you will do?
- Type of people you will deal with?
- Physical and mental effort required?
- The challenge it poses?

Will it fulfill your and your family's ambitions?

Will this give you a good:

- Lifestyle?
- Time with family and friends?
- Salary and money potential?
- Possibility of being famous?

Validated Hypothesis

Go to step 4

4 Finalisation

'Typical Day' Test?

"If you want to know the road ahead, then ask someone who has travelled it."

- Ancient Chinese Proverb

Here, we ask you to identify 2 - 3 people who have the same career that you have chosen and brought to this stage. Observe and ask questions to understand the 'typical life' in that career

Decision

Tools

- Discussion within the family and friends
- Univariety Website – Career Section
- Sessions with Univariety Counsellors
- Internet, books and other media
