How do I register?

Students must register in advance for the SAT to ensure that the correct materials are waiting for them at the test center. With registration, each student receives:

- An assigned test center seat
- An Admission Ticket—by Web, email, or postal mail
- Up to four score reports sent to colleges and scholarship services
- **Online registration** is the fastest, most accurate method. It gives immediate confirmation of the test center seat and access to an online Admission Ticket for corrections and reprinting.
- **Mail registration** is sometimes required. Students who provide an email address on the form will receive tickets by email only. Paper registrants who do not provide an email address or who indicate on the form that they want to receive a paper ticket as well will continue to receive an Admission Ticket in the mail.
- **Phone registration** is offered for retaking the test. A fee is applicable. Only such students who have a previous registration in the system, can register by phone.

You can visit the below link to get more information on SAT registration. You would need to create an account on <http://sat.collegeboard.org/home> to be able to register for SAT.
