→ A number of experiences or achievements that a person hopes to have or accomplish during their lifetime.

My Bucket List

1. My biggest wish/dream is to travel the whole world.
→ I'd like to take a Europe tour but all alone so no one is there to shout, yell or make me be disciplined. I want to live my own life.
2. My second wish is to pursue my career and live up to all my dreams.†
→ I want my parents to live a really happy life even if I am not there.
3. Next on my bucket list is to go sky diving with all of my friends and enjoy our life without any hesitation.

4. I want to learn to swim
understand water for almost
a 1 hour.

5. I want to prove that I
am capable to do anything

✦ Conclusion

I have learned that to achieve
something in life we need to make
it happen.
