

Sunday Science School

Certificate

Level 1

This Certificate is awarded to YASH KSHIRSAGAR for his / her successful completion of SUNDAY SCIENCE SCHOOL level 1 based on "HANDS ON SCIENCE" conducted from AUG. 16 to FEB. 17 at NASHIK. The activity based science program offered an opportunity to students to perform various science activities by hand and build different projects on basic sciences. The participant has performed all the activities with zeal and tried to understand science behind these activities. The participant performed over 40 activities on subjects, Energy, Weather, Electricity, Chemistry, Biology etc.

We award this certificate to appreciate his / her efforts in developing hands-on skills in science and understanding related scientific topics during the Sunday Science School Program.
