Ensuring lasting change
for children

29th May, 2020

To whomsoever it may concern

This is to certify that **Parakram Graga** has successfully participated in the online crowdfunding campaign initiated by CRY Child Rights and You to protect India's most vulnerable families and children from the effects of COVID-19 pandemic, from 1st April to 20th May 2020.

Parakram demonstrated good marketing and communication skills in raising funds for the issue. He also showed dedication and commitment in spreading the campaign and motivating more people to care for the issue.

We especially appreciate that he went over and beyond the fundraising target that was set.

We believe that this internship has helped Parakram in understanding the issues pertaining to children in India. We hope he will remain in touch with CRY and will always be an ardent advocate of child rights.

We wish him the best of luck for all his future endeavors!

Regards,
