Subject: Letter of Endorsement for Sanya Wadhwa .

The Climber is an NSRCEL, IIM Bangalore incubated Edu-tech startup, which aims towards helping students pursue their passion and make an informed career choice. MyCaptain is a youth mentoring platform recognized by the United Nations SDSN in their report as one of the Top 50 Youth-Led Solutions Worldwide.

It is with great pleasure that I endorse Sanya Wadhwa for working with The Climber as a Campus Ambassador. She did excellent work in CL Gupta World School, where she reached out to a large group of students and made them aware about MyCaptain. She performed well in multiple domains ranging from Sales and Marketing to successful external collaborations.

I have received high acclaim from her Operations Executive and have personally seen her excel in Operations. I am sure Sanya Wadhwa will be a great addition to any team or even individual role Sanya Wadhwa takes up and will excel at it. With this, I would take this opportunity to wish all luck Sanya Wadhwa with all her future endeavors.
