

Letter of Recommendation

To whom it may concern,

I, Shalini Gupta, in my capacity as National Secretary General of Pinkishe Foundation, an 'all-women Non-profit organization headquartered in Delhi-NCR, India, knew Diva Punjabi from MET Rishikul Vidyalaya, during her internship with us on the project 'PinkTalk - Anchoring and Moderation'.

Ms Diva is very good at logic with an incredible skill of applying theoretical knowledge to real-life problem-solving. She has a sharp, inquisitive mind and is not shy of thinking out-of-the-box; abilities that greatly facilitate social work.

Her passion, perseverance, and intellectual curiosity make her comfortable going deep into the intricacies of a given subject. We are impressed by her sincere affinity towards the welfare of women in particular and her commitment to creating great value in society in general.

At a personal level, Ms Diva is well-disciplined, helpful, and industrious with a pleasant personality. I wish her every success in all her future endeavours.

Sincerely,

For PINKISHE FOUNDATION
