

July Edition—Volume 1

MIDDLE WING

DPS Newsletter

From the Coordinator's Desk

"Develop a passion for learning. If you do, you will never cease to grow". Angelo.

Open mindedness, a global outlook, multiple intelligence and abilities – these are the premium qualities needed today.

As a 21st century organization, Delhi Public School Varanasi desires to set an approach to learning that incorporates inquiry, research, analytical thinking and an ethical approach that becomes a lifetime habit. The students are helped to focus on confidence building, while nurturing a strong sense of social and environmental responsibility through academic and co-curricular activities as we believe,

"It is not the will to win, but the will to prepare to win that makes the difference".

AKS, the inaugural issue, reflects the excellence of its aura. It is a brief account of the important events held in the month of July 2019. This is only a small step towards an endless journey. To achieve progress and to meet objectives we have to cross numerous milestones. This maiden issue of AKS should inspire all of us for a new beginning, enlightened with hope, confidence and faith in each other.
