EXPRESSION OF THOUGHTS

THE DEEP BLUE SEA

You are most calm, you are most deep,
out of earth's four- you are three.
Sky bowed down to touch your water
and make you -the deep blue see.

Millions of creatures live inside you.
You give them home, give them food.
You take all that we waste
and give back to us all that are good.

It's time for us now to take this oath,
we'll keep you calm and keep you blue.
We'll stop pollution, we'll clean the ocean
For our own existence and for you.

Mst. Krishnaj Roy (IV-A)

MOTHER INDIA

Mother India You Grown Us Like A
Mother,
Mother India You Provide Us Air And
Water.

O Mother India Your Motherhood
Honoured Us,
O Mother India Your Nature Surprised
Us.

Your Trees Shed Their Leaves And Down
Came The Leaves, Dancing On Its Beat;
Your Forests Gave Us Flowers That
Bloomed In Spring.

O Mother India You Honoured Us Every
Moment,
We Will Always Be Your Children,
We Will Respect You,
O Mother,
O Mother,
Mother India.

IT IS RAINING EVERY DAY!!

It is raining every day
It is raining all the time
And we don't have to pay
Also, rain is not a crime!

Thunder Lightning here and there
Everyone is getting water, so it's fair
There are also clouds here and there
In the rains, better take care.

It is raining every day
It is raining all the time
And we don't have to pay
Also, rain is not a crime!

Storm and winds make us cry
Take your umbrella everywhere
It will keep you safe and dry
Then let's get little wet, it is raining
everywhere.

Mst. Dhawal Sawant (IV)

ATTENTION

At a certain point I must say to the woods ,
To the sea, to the mountains ,to the world, to the
roots !!

I am on the top ,
Now I will stop !
Now I am ready ,
Being attentive wholly !!

How present am I ,
Wherever I am ?

How much time I spend on my phone ?
Or the person who's actually travelling with me
own !!

How I care for nature
Being its creature !!

Lets Make amends before its too late to hack
We are never going to get those moments with
nature and peoples back !!

RED BALL OF FIRE

High up in the sky,
Is a red ball of fire which seems alive.
It's glare crosses over my window sills,
And makes alive things which before
were still.

The warmth of its rays,
Can sooth a person in the most difficult
of days.
The hue of its light,
Makes even this dark world look bright.

Enemy of the winter cold, falling on the
trees it makes them bold.
Around the sky, it daily swings,
Oh God! you've created such a lovely
thing

EXPRESSION OF THOUGHTS

THE OLD MAN'S TREASURE

I set out to the seven seas ,
(With none except wanderlust and me),
To search what every traveller may,
When I chanced upon a grazing land,
Where I saw an old shepherd man.
And pity came to my eyes,
For he had only himself,
With no roof over his white haired head.
And when I offered him money and a cozy shed ,
Said he "dear child ,
Not every man keeps his riches on his waist,
Where a thief can take it while he is in haste".
Oh, really !scoffed I,
Show me your riches then,
"Fine, that I will "said he,
Take the forest path where the willow grows,
And Follow the golden threads,
Peeking behind the emerald towers."
So I did, for I could not suppress my curiosity.
When I reached the forest path ,
The sky was in a purple pink veil
With silvery crystals hanging on it
There stood the willow
As gloomy and dark
Like a wizened witch muttering incantation,
I went on ,
Until slowly ,
Sunshine like soft saffron thread ,
Turned every leaf of every tall tree,
From green to emerald .
I then found a field,
The same grazing land,
Where the old man ,
Stood smiling.
Said he "this; my child, is my treasure"
My eyes reached the place
Where he pointed to
Where the sun like a toddling child
Peeked out from cottony curtains
Making every blade of grass golden
And every bird chirping.
And as I marveled on this sight
Said he" dear child, this is my treasure,
That I see the sights of Mother Nature
One that every man sees
But overlooks.

Ms. Khushi Parikh (IX)

BEAUTY OF NATURE

Today the sun is shining so bright
I think today everything will be right
By sitting on the grassy ground
I could hear the nature's sound

I could hear the buzzing of bees
By sitting on the tallest willow trees
I could see the gentle stream flow
Pick the flowers as they grow

I could smell the flowers by my nose
The grass in the ground pokes my toes
I could breath the nice fresh air
And light which glisten from my eyes

Standing at the mountain ,so high
I think that if I could fly
Take a moment and inhale
And listen to the nature's tale.
