Students Career Journey

Our Services

PROFILE EVALUATION

Strong profile increases the admission chances of students in Top institutions and Universities in India as well as abroad. Profile includes the holistic achievement of students scholastic as well as co scholastic achievement of students.

COUNSELLING SESSION

School & College can conduct counseling session. Our Counsellor team takes the one to two hour counseling session on different career topics. It includes 25 research tools, mailer on the course of career, Question on India and abroad colleges, college admission and scholarship advice etc.

COUNSELLING PLUS STREAM ASSESSMENT

School can conduct counseling plus career assessment, in this KR career counseling offers free Assessment of Five students. It includes 25 research tools, mailers on the course or career, college admissions and scholarships advice, understanding personality, 14-page reports with three careers indication.

SCHOOL COMPLETE PACKAGE

KR career counseling offer's schools to tie-up for whole Academic session. It includes Seven counseling session in a year. Complete Package includes 25 research tools, mailer on the course or career, questions on India and abroad colleges, college admission and scholarships advice, understanding personality, 14 pages report with three careers indication. Test pattern, syllabus and finalizing best strategy, short listing colleges. Aspiration, Best fit and safe fit, college list services for atleast two career options. KR career counseling offers ten free Assessments of students.

INTERNATIONAL COMPLETE PACKAGE

It's for those students who want to study abroad. Here we take help of our international counselor. The facilities that are provided by the international counselor are pre application services, Guidance like CVs/Portfolio/LOR etc. providing training how to write strong SOP's, Essay and CV, Scholarships options available for arranging funds, Guidance and Visa application, documents and finance mock interview.

YOGA CLASSES

It is therefore not surprising that educational institutions have adopted Yoga as part of their everyday routine. Immaterial of whether you're a student or adult, you are sure to find Yoga to be beneficial in terms of achieving peace of mind, maintain increased energy levels, improve flexibility, and find inspiration to channelize your energies in the right direction.

SOFT SKILL WORKSHOP

As a head of institution are you facing the problem unwanted response from the students? Here it indicates lack soft skill among students. Here solution is soft skill training. Soft skills are the other nonacademic skills students acquire to help them succeed in life. They often include social emotional skills, critical thinking skills, and skills that facilitate positive interactions with others and the ability to overcome challenges.
