Build your profile while considering all that goes in the selection process.

## 05

### Module 4: Gear up for the application process

Get critical insights into the application process.

## 06

### Module 5: Are you well prepared for the expenses?

Explore different options to fund your college expenses.

The background of the slide is a dark blue gradient. On the left side, there is a collage of various data visualizations including bar charts, line graphs, and pie charts. One pie chart at the top left shows segments for 5%, 10%, 20%, and 60%. Another pie chart at the bottom right shows segments for 5%, 10%, 20%, and 30%. There are also several bar charts with different colors (blue, orange, green, red) and line graphs showing trends over time.

# Introduction & Overview

## Get the ProMap Edge

As a prospective university applicant, you and your parent get access to all the know-how of what your dream college looks for in a candidate, how to go about applying at one and how to ensure your financial readiness. Gain clarity on your future choices by getting a personalized roadmap at the end of this course.

## What's In Store?

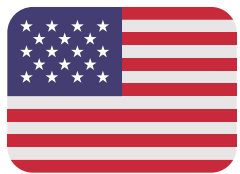

We bring you a set of 5 comprehensive modules which will enable you to take better decisions for building a 5 star profile to match your future plans.

# Module 1

## UNDERSTANDING THE GLOBAL UNIVERSITY TRENDS

An overview of the colleges in USA, Canada, UK & India Countries.

### Colleges / Universities To Apply - Criteria for Selecting Universities

**Univariety is India's first company** to use technology to setup a complete career & college guidance cell inside progressive schools. Students receive guidance from counsellors, digital tools, university admission officers and from the past students of the school. Univariety runs a successful Global Career Counsellor program for certifying teachers in association with a top University - UCLA Extension. Univariety has proved to be a comprehensive partner for schools wanting to go beyond the regular and focus on student success.
