

MANIPAL
UNIVERSITY

ICAS Program

An initiative of Manipal University, International Engineering Twinning Program is designed as a platform for those students aspiring to graduate from some of the top universities in the world. Students study first 2 years in Manipal, India and the following 2 years in a university abroad. The ensuing engineering degree awarded by the respective international university.

Started in 1994, we have successfully sent over 1400 students to study abroad. Students can choose to study in over 90 premier international universities in USA, UK, Australia, Canada, Germany, Malaysia.

Some of the international universities our students have graduated from are University of Illinois at Urbana-Champaign, Purdue University, University of Michigan Ann Arbor, University of Minnesota, The Ohio State University, City University London, Lancaster University, University of Queensland.

ADVANTAGES

- Opportunity to study abroad at 40% lesser cost as compared to studying all 4 years abroad.
- Engineering degree from a premier international university
- Global placements - annual salary package upon graduation between \$55,000 and \$85,000.
- Choice of over 90 international universities.
- Flexibility of changing the stream of engineering after 1st semester or in university abroad.

ELIGIBILITY

- Pass 10+2 (CBSE, ICSE, Levels, IB, HSC, OSSD, American High School Diploma or equivalent examination.
- Minimum of 60% (aggregate) or grade in English, Physics and Mathematics with Chemistry or Biology or Computer Science or Biotechnology or Electronics as optional subjects in the 12th standard.
- Students from Non-English medium of instruction are eligible to apply if they obtain a score of above 90 in the TOEFL exam.
- Students seeking admission to Architecture at ICAS need to have minimum of 80 out of 200 in NATA exam.
- Diploma holders (after 10th) are not eligible for the program.

ADMISSION AND FEES

Admission:

Admissions are based on 10th and 12th standard marks.

Candidates awaiting their 12th standard results can apply for provisional admission based on their 10th standard marks.

Fees:

Year	University/Campus	*Course Fees
1	Manipal, India	Rs 3,75,000
2	Manipal, India	Rs 3,75,000
3	International Universities-USA, UK, Australia, Canada, Malaysia	Approx. US \$ 10,000 - US \$ 40,000
4	International Universities - USA, UK, Australia, Canada, Malaysia	Approx. US \$ 10,000 - US \$ 40,000

*Tuition fees for Year 3 and 4 will depend on the university to which the student will transfer. The above mentioned figures are approximate.

The first year fee for Architecture and Aviation/Aerospace will be 3, 75,000 and the remaining years fees will be based on the university to which the student is transferred.

The students who opt for BSc (Applied Sciences) degree and continue their studies at Manipal, have to pay the third year tuition fee as prescribed by the University from time to time.

Laptop computers will be given to all students admitted to this course.

ENGINEERING BRANCHES

Architecture*

Automotive

Aviation/ Aerospace**

Biomedical

Chemical

Civil/Construction

Computer Science

Computer Engineering

Electrical and Electronics

Electronics and Communications

Industrial Biotechnology

Industrial/ Manufacturing

Mechanical

Mechatronics

*The first year will be in Manipal and the following 4 years in a university abroad

**The first year will be in Manipal and the following 3 years in a university abroad
