

Carleton University 2020

INTERNATIONAL ADMISSIONS VIEWBOOK

 OTTAWA, CANADA | [CARLETON.CA/INTERNATIONAL](https://www.carleton.ca/international)

The Carleton advantage

A LAND OF OPPORTUNITY, CANADA IS A VAST, MULTICULTURAL COUNTRY WITH A HISTORY OF HELPING OTHERS AND WELCOMING THE WORLD

MUSEUMS AND EMBASSIES, INTERNATIONAL RESTAURANTS, THEATRES, NIGHTCLUBS, AND BUSTLING FARMERS' MARKETS

A BEAUTIFUL CAPITAL CITY OF MORE THAN 1 MILLION PEOPLE

INTERCONNECTING WATERWAYS (OTTAWA RIVER, RIDEAU RIVER AND CANAL)

**STUDENT ACADEMIC ADVANTAGE:
HIGH-TECH SECTOR, NON GOVERNMENTAL
AGENCIES, AND LIFE SCIENCES RESEARCH
FACILITIES**

**CAMPUS: A GREEN OASIS IN THE HEART OF
THE CAPITAL CITY CLOSELY CONNECTED TO
DOWNTOWN BY TRANSIT, BIKE PATHS**

**WORK STUDY OPPORTUNITIES AND
EXPERIENTIAL LEARNING
IN 100+ PROGRAMS**

**DIVERSE COMMUNITY:
- 14% INTERNATIONAL STUDENTS,
FROM MORE THAN 140 COUNTRIES
- ESTABLISH A NETWORK OF WORLD-WIDE
RELATIONSHIPS FOR THE FUTURE**

Electrical Engineering student Fizza Ahmad Sheikh and her fourth-year Capstone team developed the First In Risk Evaluation (FIRE) System to help improve the safety of firefighting operations. By piloting a drone equipped with thermal imaging cameras, firefighters are able to measure heat intensity and identify structural dangers through a specialized graphic user interface.

Faculties

Engineering and Design

carleton.ca/engineering-design

- Degrees offered across an exceptionally comprehensive range of programs
- Students have access to world-class facilities and engage in practical, real-world training
- Co-op work placements provide plenty of opportunities to gain valuable work experience
- Graduates excel in such sectors as high-tech, education and government, product development, design, management, consulting and more

Public Affairs

carleton.ca/fpa

- The Faculty of Public Affairs prepares graduates to be informed citizens who address regional and global challenges
- Graduates are leaders in fields such as politics, media, law, communications, economics, and global and international studies
- We offer a broad range of co-ops, internships and placements—both in Canada and internationally

Science

carleton.ca/science

- Students are taught by some of the leading scientific researchers in their disciplines
- Our unique Seminar in Science course for first-year students helps develop communication, analytical and research skills
- Labs, tutorials, field courses and seminars are conducted in small classes, resulting in personalized interactions
- Students participate in groundbreaking research and graduate with practical, hands-on experience

Arts and Social Sciences

carleton.ca/fass

- Students tackle the most complex social, cultural and political issues of our times, and contemplate questions that have challenged civilizations for millennia
- Choose from a broad range of academic disciplines spanning subjects as diverse as human cognition, international relations and climate change
- We have 17 dynamic academic departments to feed your curiosity and help you acquire knowledge and employable skills
- Many programs offer practical experience through co-op, internships or field work

Business

sprott.carleton.ca

- The Sprott School of Business takes a comprehensive approach to business education, providing students with the foundation to find success and create positive change
- Internationally accredited degree programs offered in Commerce and International Business
- Known for its tight-knit community, Sprott offers exceptional student experience and support
- 93 per cent of Commerce graduates and 94 per cent of International Business graduates reported being employed within one year of graduation

Co-op and career opportunities

carleton.ca/co-op

The majority of our undergraduate programs include a co-operative education option (known as “co-op”) that provides you with the opportunity to gain full-time, paid employment related to your academic program. Study terms are alternated with paid periods of work in real job situations.

Some benefits of participating in the co-op program:

- Put theory into practice and solve real world problems in your field of study
- Develop professional skills that employers are looking for
- Build a network of industry contacts
- Explore different career environments to find your best fit
- Earn money to help with tuition costs

Built over time, strong connections in the high-tech sector, and with local industry leaders and research scientists, have helped us to create many valuable work opportunities for students.

The **Co-operative Education Office** supports students with their job search, co-ordinates the hiring process and develops connections with potential employers. You can apply to the co-op program when you apply for your degree program at Carleton, or you can apply later in your studies (typically at the end of first or second year). To be eligible, you must be a full-time student with a specified minimum grade point average. Please note that certain programs also require prerequisite courses.

For details on eligibility and how to apply for a co-op program, please visit our website: carleton.ca/co-op

Just a small selection of Carleton’s co-op employers:

- BlackBerry
- Bombardier Aerospace
- Welch LLP
- Ericsson
- Ross Video
- Hydro Ottawa
- IBM Canada
- National Research Council Canada
- Nokia
- Trend Micro

Salaries range from minimum wage (\$14/hour) to \$30/hour depending on the program. Salary averages are outlined on our website per field of study.

Other work-study options

Many programs include a work-study component such as a practicum, field placement, field course, apprenticeship or research placement. Carleton also offers a new International Internship Program that connects students in all disciplines with internships worldwide for academic credit.

Working in Canada

carleton.ca/career

Most international students can:

- Apply for a job on campus at Carleton University
- Apply for a part-time job off campus during the school year (20 hours per week maximum)
- Apply for full-time work during holidays (fall break, winter break and summer)
- Apply for a work permit after you graduate (for up to three years) to gain international work experience
- Participate in the International Internship Program for academic credit

Visit the website of the Government of Canada for details:

canada.ca/en/immigration-refugees-citizenship/services/study-canada/work

To fulfill the international experience requirement, BGIInS student Monica Lung completed an internship with Canada’s Permanent Mission to the United Nations in New York City.

Programs

admissions.carleton.ca/programs

Degree program	Areas of study	Required prerequisite courses	Notes
Bachelor of Architectural Studies*	<ul style="list-style-type: none"> Conservation and Sustainability* Design* Urbanism* 	English Physics Math (Calculus is strongly recommended)	<p>Application deadline: February 1*</p> <p>Portfolio deadline: March 1*</p> <p>See admissions.carleton.ca/additional-requirements-for-portfolio-details.</p>
Bachelor of Arts Honours General	<ul style="list-style-type: none"> African Studies Anthropology* Applied Linguistics and Discourse Studies Art History Biology Canadian Studies Childhood and Youth Studies Criminology and Criminal Justice English* Environmental Studies* European and Russian Studies* Film Studies French* Geography* Geomatics* Greek and Roman Studies History* History and Theory of Architecture Human Rights and Social Justice Indigenous Studies Law* Linguistics Music Philosophy Political Science* (Concentrations in; Canadian Politics; Comparative Politics and Area Studies [Global North]; Comparative Politics and Area Studies [Global South]; Gender and Politics; International Relations; North American Politics; Political Theory; Public Affairs and Policy Analysis) Psychology* (Cognitive, Developmental, Forensic, Health and Well-Being, Organizational, Social/Personality) Religion Sociology* Women's and Gender Studies 	All BA programs: English BA Biology: English Chemistry Math is recommended	<p>Application deadline: April 1</p> <p>Not all areas of study are offered under both the General and the Honours programs. Additional concentrations or specializations may be available - see programs website for more details.</p>

Your timeline to Carleton

Key Steps

FOR DETAILS, PLEASE VISIT CARLETON.CA/INTERNATIONAL QUESTIONS? EMAIL US: INTERNATIONAL@CARLETON.CA

Admission requirements

carleton.ca/international

Academic performance in your previous studies is the main determining factor for admission to Carleton's undergraduate degree programs. Secondary school graduation is the typical level required for admission to the first year of an undergraduate program. In some cases, you will also be required to present specific courses (prerequisites).

We recognize and accept national qualifications from most countries. Please visit: **carleton.ca/international** to see the requirements for your particular country or education system.

You will need to present:

- **Transcripts** from all of your high school and any post-secondary studies. Through the admissions portal in Carleton 360 (**360.carleton.ca**) you will be able to view any documents necessary for your application assessment. You can also upload a .pdf version of any requested documents directly to your application. If official documents are needed to confirm your offer of admission, they can be sent directly from the institution to Carleton University Admissions Services (see back cover for address). If you are in your final year of high school, you should submit mid-year or predicted results (in both the original language and translated into English by a certified translator).
- Most international students will also have to submit an **English language test score** (see page 11 for details)

Sarita Cuadro

Bachelor of Science student (Biology)

From: Peru 

When I added my co-op option, I discovered so many different paths that I could take once I finish my studies. I have worked in three different government departments throughout my co-op. In each one of them, I have met incredible people that have mentored me and have taught me so much. I also developed different skills that will help in my future studies and employment.

At Carleton, you will find that the opportunities you can get are endless. Most importantly, you are within a community that supports you and wants to help you fulfill all your dreams.

English language requirements

admissions.carleton.ca/esl

For admission, you will need to demonstrate that your knowledge and use of English are strong enough for studies in an English language university.

You can do this by:

- Demonstrating that you have studied for the last three years (full-time) in a high school, college, or university in Canada, the United States, the United Kingdom or any other country in which the primary language is English and where the language of instruction in the relevant institution was exclusively English
- Submitting an English as a Second Language (ESL) test result

Depending on the score achieved, you may receive:

1. Admission with no ESL requirement:

Begin your full-time undergraduate degree studies

English language tests*	Score
IELTS	6.5 IELTS (min. 6.0 in each band)
Internet-based TOEFL (iBT)	86 (min. 22 in writing and speaking, 20 in reading and listening)
Canadian Academic English Language Assessment (CAEL)	70 (min. 60 in each band)
Pearson Test of English (PTE) Academic	60 (min. 60 in each Communicative Skill)
Michigan English Language Assessment Battery (MELAB)	85 (min. score of 80 in each section)

2. Admission with an ESL requirement:

Carleton will admit you to your degree program with the requirement that you complete up to three English language classes during your first terms of study

English language tests*	Score
IELTS	5.0–6.0 (min. 4.5 each band and an average of 5 or better across writing, reading and listening)
Internet-based TOEFL (iBT)	61–85 (min. 15 each section)
Canadian Academic English Language Assessment (CAEL)	Overall score between 40 and 69 (min. score each band 30 and min. average of 40 across writing, reading and listening)

*For more information, please visit our website at admissions.carleton.ca/esl. If you have taken a test not listed above and want to know whether it could be accepted, please contact us at international@carleton.ca.

You do not have to apply for the English language classes—an offer of admission will automatically include an ESL requirement if your language score falls in the range outlined in table 2.

Foundation ESL courses	
Course	Additional degree credits permitted
ESLA 1300 Introductory ESL for Academic Purposes	0.5 credit
ESLA 1500 Intermediate ESL for Academic Purposes	Up to 1.0 credit
ESLA 1900 Advanced ESL for Academic Purposes	Up to 1.5 credits

Please note that the following programs are not available for entry with an ESL requirement:

- Architectural Studies
- Health Sciences
- Humanities
- Information Technology
- Industrial Design
- International Business
- Journalism
- Journalism and Humanities
- Media Production and Design
- Public Affairs and Policy Management

If your language test score falls below the ranges listed in table 2, or you do not submit a language test, you will not be eligible for an offer of admission. You can retake a language test and submit a higher score to be considered for admission.

Yanqin Tang

Bachelor of Communication and Media Studies student

From: China

Carleton offers a lot of strategies to help international students succeed. I really benefited from the English as a Second Language courses. They not only helped me improve my English, but I could enter my program of study right away. I learned a lot about writing essays and because of the small classes, it was effortless to make good friends. You may find that some of them come from the same country as you!

If I could talk to myself a year before I came to Carleton, I would say: “You made the correct choice and will enjoy your time at the university!”

Tuition, costs and scholarships

carleton.ca/studentaccounts

Undergraduate tuition and living costs

For program-specific tuition fees, please visit carleton.ca/studentaccounts/tuition-fees

Approximate cost per academic year for international students:

Expenses	CDN dollars		USD dollars*	
Tuition and ancillary fees (2019-2020)**	\$27,282 - \$36,863		\$20,759 - \$28,049	
Room and board On campus: Costs include residence room, meal plan, internet, residence association fees and all utilities for the academic year. Prices vary based on single or double occupancy and meal plan selected. Off-campus: Estimate based on eight months of rent (one bedroom, shared kitchen/bath, includes utilities, laundry, and groceries)	On Campus \$10,893 - \$13,663	Off-campus \$8,600	On Campus \$8,288 - 10,396	Off-campus \$6,544
Books and supplies (varies according to program)	\$1,400		\$1,065	
Personal expenses (varies by individual)	\$2,000		\$1,522	
Estimated total expenses per year	\$39,282 - \$53,926		\$29,890 - \$41,032	

*Current exchange rates can be found at bankofcanada.ca; USD amounts listed reflect exchange at the time of publication (July 2019)

**Amounts include all tuition, compulsory and optional fees—including the compulsory University Health Insurance Plan (UHIP) fee of \$636 (CAD) per person for 12 months.

Please note: Exact tuition fees for the next academic year are usually available in May.

Undergraduate Entrance Scholarships

carleton.ca/awards

- Undergraduate Entrance Scholarships are **automatically** offered to all high school students who meet our academic and language requirements.

The scholarship amount is based on the applicant's previous academic performance. These merit-based scholarships are renewable, meaning that if they are lost in one year, they can be regained in future years. Scholarships are renewable with an A- standing (annual GPA of 10.0).

Prestige Scholarships

Students with an admission average **over 90 per cent** are eligible to apply for one of our Prestige Scholarships, our highest awards. These competitive scholarships are awarded based on both a student's admission average and participation in community and secondary school activities (leadership, community service, and extracurriculars).

The values of the Prestige Scholarships range from \$5,000 to \$7,500 CDN per year and they are renewable based on maintaining a minimum A- (10.0 GPA) in full-time studies.

An application is required. **Deadline: March 1.**

Specialized Scholarships

The Law Scholarship in Architectural Studies is a \$10,000 scholarship awarded annually to an outstanding full-time undergraduate international student entering the Bachelor of Architectural Studies. Eligible students must be admitted from a high school in **China/Hong Kong**. An application is required.

Questions about scholarships?
 Email awards@carleton.ca
 Twitter @CUawards

Undergraduate Entrance Scholarships				
CDN schools	U.S. schools*	IB Grades	A-Levels	Scholarship (CDN)
95-100%	A - A+	38-42	AA	\$16,000 (\$4,000 X four years)
90-94.9%	A- - A	34-37	AB	\$12,000 (\$3,000 X four years)
85-89.9%	B - B+	31-33	AC/BB	\$8,000 (\$2,000 X four years)
80-84.9%	B- - B	28-30	BC	\$4,000 (\$1,000 X four years)

*Please note for U.S. and U.K. systems, these are approximate ranges intended as a rough guide. For the U.K. system, O levels are also taken into account.
 Exams such as SAT or ACT scores are also taken into consideration when determining the scholarship average.

The residence experience

housing.carleton.ca

Your home away from home. Last year, over 3,600 students chose to live on campus in one of our residence buildings. Living in residence is voluntary, but we think it is a wise choice for international students who are adjusting to a new life in Canada.

What does residence offer?

Friendship

- Experience university life as part of a vibrant, close-knit community
- Meet people from around the world and make friendships that last a lifetime

Support

- Access support from a network of Residence Life staff who are there to help make sure you reach your academic and personal goals, and have a rewarding experience

Convenience

- Get to class, meals or workouts within minutes via five kilometres of underground tunnels
- Live minutes away from your classes, the library, athletics and a large dining hall
- Easily arrange meetings with friends, study partners or professors

Community

- Participate in events, programs and committees in and around residence
- Visit Raven's Roost, your student hang out with video games, pool tables, tv and more
- Volunteer in the community or participate in activities to promote sustainability, such as Earth Hour, or zero waste workshops

Two living styles

Traditional or suite-style rooms

The majority of our rooms for first-year students are traditional double rooms, with shared washroom facilities. A limited number of single rooms are available for first-year students.

The suite style provides four-person suites (either two doubles or four singles) with a shared common area, washroom facility and small food preparation area (with fridge and microwave).

First-year residence guarantee

At Carleton, a double traditional room is guaranteed to all new, first-year students entering directly from high school—provided they receive an offer of admission on or before May 15.

To confirm your space:

- Accept your offer of admission
- Accept the residence offer
- Pay the deposit by June 8 to confirm your space

If you do not qualify for a guaranteed space in residence, you can still apply for a space through the lottery process: housing.carleton.ca/applying-to-residence

A traditional double room in Stormont and Dundas House

A traditional four-person shared suite in Leeds House

Dining Services has a dietician to help with your dietary needs, including vegetarian, vegan, halal, gluten-free and allergies. They also take recipe requests if you're missing a particular dish from home. dining.carleton.ca

Vegan

Sustainable Seafood

Vegetarian

Gluten Free

Locally Grown

Halal

All Access Meal Plan

First-year students living in residence will be enrolled in the All Access Meal Plan, which provides unlimited entry into the dining hall and \$100 Dining Dollars, for use across campus.

For students living in suite-style residences, there is also a Reduced Meal Plan option, which offers seven meals per week and \$450 Dining Dollars.

The residence dining hall sources food locally, accommodates dietary needs and offers an “all you care to eat” experience featuring a variety of meals cooked right in front of you.

Cost (2019-2020)

Traditional residence

\$10,893 (double occupancy) to \$12,063 (single occupancy) with internet and all access meal plan

Suite-style residence

\$12,148 (double occupancy) to \$13,363 (single occupancy) with internet and all access meal plan

Off-campus accommodation

Information regarding off-campus housing is available on our website. housing.carleton.ca/off-campus-housing

Mariam Oseni

Bachelor of Commerce student,
Sprott School of Business

From: Nigeria and Canada

I lived in residence my first year and I would advise all students coming to Carleton for first year to live in residence. Trust me. My first friends were from residence—they were my podmates because I lived in res with five other people in a pod (suite). It was amazing.

You do your own laundry and cleaning of course, but the food and everything else is covered. It's much easier because you don't have to think about rent or doing your own grocery shopping. You can just focus on school, your clubs and going to the gym.

Everyone should live in res for first year because that's how you get to know everyone and find your way around.

Diverse and caring community

Everything you need on campus

Campus life

Students come to Carleton from all across Canada and 140+ countries.

14% of Carleton's 31,000 students are international students (2019).

Carleton students have a culture of giving back:

- Raising funds for Cystic Fibrosis and cures for cancer (Carleton was the first post-secondary institution to raise \$1 million in 10 years for cancer research)
- Advocating for solutions to homelessness
- Volunteering for community and international projects addressing: access to education and clean water, and environmental sustainability

carleton.ca/campus

- State-of-the-art academic buildings and laboratories
- Beautiful riverside campus
- Residences, cafeterias and fast-food options
- Brand new library with collaborative and creative student study spaces, media booths, treadmill desks, a gaming lab, 3D printers and multimedia labs; the library also has a laptop lending program
- Art gallery
- Coffee shops, juice bar, pubs and eateries
- Bookstore
- Health clinic, pharmacy and dental clinic
- Bank machines, convenience store and more!

Fitness and fun

200+ clubs
and societies

cusaonline.ca

Whether your interests are academic, social, political or charitable, there is a club or society for you. Meet new people, gain valuable skills and pursue your interests outside the classroom. Some of the more popular clubs and societies include:

- Science Student Society
- Mechanical and Aerospace Society
- Law and Legal Studies Society
- Journalism Society
- United Nations Society
- Nigerian Students Association
- Muslim Students Association
- Arab Students League
- Japanese Association
- Indian Students Association
- CU Smile
- WE CU
- Carleton Human Rights Society
- Amnesty Carleton
- Country Music Club
- Art Collective
- Dance Crew
- Debate
- Gaming Club
- You name it!

athletics.carleton.ca

Whatever your athletic interest or fitness level, you are sure to find something that suits you. You can try out for a team, sign up for one of our many fitness classes, or make use of our extensive facilities:

- 50-metre pool with diving tower
- International squash courts
- Fitness centre with numerous cardio and weight training options
- Saunas and gymnasiums
- Indoor sports field with running track
- Twin-pad ice arena
- Five tennis courts
- 3,000 seat soccer/football stadium
- Over 120 exciting classes offered

Services for students

students.carleton.ca

International Student Services Office

carleton.ca/isso

The International Student Services Office (ISSO) offers services and programs dedicated to helping international and exchange students adjust to life in Canada—making sure you get the most out of your student experience.

This office is just for you!

- You can connect with peers before you arrive
- We will welcome you at the airport
- Get practical information about health insurance and study permit renewals
- Find out what to pack
- Attend information sessions about working in Canada, homesickness, money management and scholarships, or just come by for a cup of tea!

Be sure to register! Orientation for international students:

At the start of the fall term, attend the international student orientation sessions and the university-wide fall orientation, a six-day extravaganza of social and academic events held to acquaint you with Carleton and your classmates before classes begin.

Student Experience Office

carleton.ca/seo

The Student Experience Office encourages student engagement by organizing student leadership and Community Service Learning programs. The office also offers support specifically geared to first-year students to ensure their smooth transition to university life.

Career Services

carleton.ca/career

Career Services assists Carleton students not only in making the transition from school to work, but also in developing their professional skills starting as early as first year. Professional career counsellors and career consultants guide students through the discovery of a personal career path with a focus on how to set and achieve career goals.

Academic Advising Centre

carleton.ca/academicadvising

The Academic Advising Centre offers students dedicated support through academic advising, assistance with understanding the Academic Audit and advice on changing programs or adding elements.

Centre for Student Academic Support

carleton.ca/csas

The Centre for Student Academic Support is a centralized collection of services designed to improve learning inside and outside the classroom. The office provides peer-led individualized and group-based academic support services to provide you with university level learning strategies.

Paul Menton Centre for Students with Disabilities

carleton.ca/pmc

Based on the premise of integration, individualization and independence, the Centre coordinates academic and support services for students with disabilities.

Health and Counselling Services

carleton.ca/health

Your physical and emotional well-being is more important than anything. Carleton's multidisciplinary on-campus healthcare facility provides medical and counselling services, a resource centre and a health promotion program to the university's students.

Raj Singh

Bachelor of Commerce student,
Sprott School of Business (Accounting)

From: India

I genuinely feel that there are so many resources at the university and they are so well spread out that if you wanted, you could get access to anything. I think being aware of what is available is really crucial if you want to maximize your full potential here at Carleton.

Where to find Carleton

carleton.ca/campus/directions

Distance to:

- **Toronto** Flight: 1 hour
Car: 4.5 hours
Train/Bus: 5 hours (500 kilometres)
- **Montreal** Car: 2 hours
Train/Bus: 2 hours (200 kilometres)
- **London** Flight: 6.5 hours
- **Frankfurt** Flight 7.5 hours
- **New York City** Flight 1.5 hours
- **Vancouver** Flight 5 hours

Ottawa International Airport (15 minute drive to/from campus, \$25 CDN taxi ride)

Another convenient option is to choose one of the many flights into nearby Montreal or Toronto. Both the train and bus stations are a short taxi ride from campus.

Book a campus tour!

Tan Nguyen

Bachelor of Engineering student
(Software Engineering)

From: Vietnam

The Canadian people here are so kind and super friendly. That impressed me a lot. They often say 'thank you' or 'sorry' for the smallest thing, so I think that is a really good custom, and I learned from that.

If I have the chance to stay here and work, this would be fantastic because, in my opinion, Canada is one of the best places to live in the world. I love the people here, they are nice. I love the weather. I love the food. Also, Canada ranks very high in modern technology.
