About ASU

Apeejay Stya University (ASU) is a seat of global learning that offers rich opportunities for innovative teaching-learning, creativity and research across disciplines. It aims to bring about transformation of society through value-based education, man-making and nation-building by blending the dual identities of a technology and research-based university with a Liberal Arts institution. With the Liberal Arts approach, students get the freedom to choose their own major and minor subjects from a wide ranging subjects of 'Core' set. ASU is recognised by the University Grants Commission (UGC).

Established by the Apeejay Stya Education Foundation in the state of Haryana [under Act No. 10 of the Haryana Private Universities (Amendment) Act 2010], ASU provides students not only 'education for living and livelihood' but also 'education for life' and empowers learners with a fundamental foundation in leadership and professional skills to face the challenges of the new liberalised global economy.

Situated amidst a sprawling, picturesque campus with state-of-the-art infrastructure on the Sohna-Palwal Road in the Gurugram district of Haryana, ASU offers a wide range of innovative graduate, postgraduate and doctoral programmes across a plethora of disciplines that are based on the best education practices of some of the leading universities of the world. These are greatly facilitated by the strong industry-academia linkages, already established by the existing Apeejay Stya institutions of higher learning in all disciplines being offered by the University.

Student Testimonials

MANTHAN SUKHIJA | BBA LL.B | 3rd Year

"Apeejay Styra University is among the first Liberal Arts universities which gives the students freedom to choose their own major and minor subjects. This further helps us to improve & specialise our skillset and broaden our spectrum."

ANKIT | BBA LLB | 3rd Year

"The infrastructure is good with the provision of a tutorial room, legal aid room and well-equipped moot court. Regular moot court activities are conducted by our faculty members who are very supportive. The University's Corporate Resource Center helps in providing internships and placements."

MIRAN MITRA | BBA LL.B | 1st Year

"Life at Apeejay Styra University has been a thrill of experience and culmination of knowledge. The most attractive facility provided to the law students is the law library, stocked up with all the essential material that a budding lawyer needs, and the best part of the curriculum here is the liberty given to the students to choose their own minor and major subjects."

KHYATI MITTAL | BA LLB | 3rd Year

"My experience at Apeejay Styra University has been wonderful. Faculty for counseling and personal guidance is something which is very important for every student and we are lucky that we have such teachers around us. There are also other facilities in the campus like availability of sports equipment, computer labs, canteen, CCD and 24hr Wi-Fi access. Apart from these, students get opportunities to participate and show their talents in fests and other programmes for their overall development."

Placements & Internship Partners

The School has earned the reputation of developing leaders with global outlook and high competence. All students are required to undergo internship for a brief period in an organisation to get corporate exposure and be industry-ready.

Corporate Resource Centre

The Corporate Resource Centre (CRC) supports students to get desired jobs while they pursue courses at ASU.

We offer only placement assistance. Placements may vary with industry requirements, market sentiment and student merit.
