

# Future 50 Schools Shaping Success

## Future 50 Website Badge

The Future 50 School Badge signifies the school's proactiveness and willingness in being evaluated as a Top 50 School that crafts careers and shapes student success.

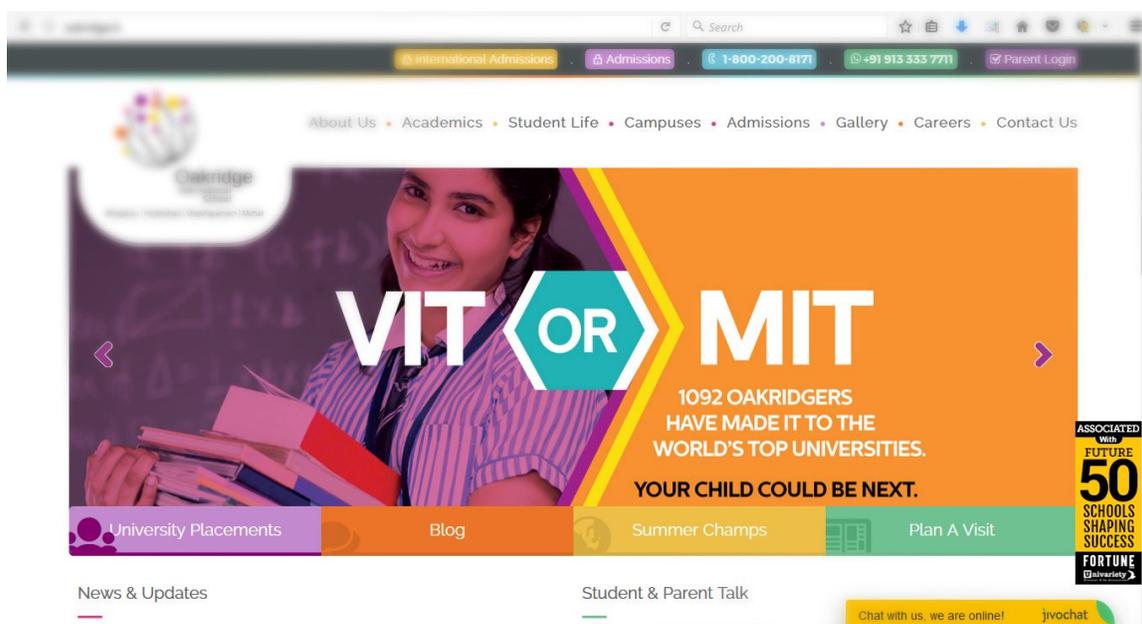

Having this Badge on your school's official website will be a testament of your aspiration towards being a progressive school that recognizes the need of the 21st century and provides students with the much needed holistic approach to education.

Copy the below mentioned code:

```
<script  
src="http://www.future50schools.com/js/future-50-floater.js"></script>
```

Save the HTML and upload it onto the server

FUTURE  
**50** SCHOOLS  
SHAPING  
SUCCESS

Clicking on the Badge will take viewers to the below page:

The screenshot shows a website banner for 'Future 50 Schools Shaping Success 2017'. At the top left is the 'Univariety' logo with the tagline 'Discover & be discovered'. To the right are navigation links: HOME, BENEFITS, CATEGORIES, PROCESS, JURY, CONTACT US, and a yellow 'REGISTER' button. Further right is the 'Media Partner FORTUNE INDIA' logo. The main banner features the title 'FUTURE 50 SCHOOLS SHAPING SUCCESS 2017' in large white and yellow text. Below the title is the subtitle 'A one of its kind school recognition to honor school's effort'. At the bottom of the banner are the logos for 'FORTUNE INDIA' and 'Univariety'. A 'Chat With Us' button is in the bottom right corner. A yellow footer bar contains the text: 'You are seeing this page, as your child's school is one of the Progressive Schools in India and has nominated itself to be a part of the Future 50 Schools Shaping Success evaluation procedure.'

A progressive school runs on the vision of building individual personalities and collective growth.

Progressive Schools recognize the need of the 21st century and provide students with the much needed holistic approach to education. They cultivate growth and independence in students to equip them with skills needed to excel in the 21st Century. In essence, progressive schools aim to modify the learning dynamics so as to fit the present day needs.
