

Bachelor of Ayurveda, Medicine is a graduate degree awarded after the successful completion of a five and a half years long program that covers the study of the integrated system of modern medicine and traditional Ayurveda.

Process of admission to the course may vary across institutes. Some institutes conduct their own entrance exams for selecting and admitting candidates, while some select students on the basis of their score at the 10+2 level alone, compulsorily completed with Physics, Chemistry and Biology as main subjects.

Listed here are some such major entrance exams held in the country for admission to the course.

KLEU AIET – KLE University

AP EAMCET – Andhra Pradesh Engineering, Agriculture and Medical Common Entrance Test

Assam CEE – Assam Combined Entrance Examination

TS EAMCET – Telangana Engineering, Agriculture and Medical Common Entrance Test.
