“

We have been partners with Embibe in this noble cause of Social Change, transforming lives of students with technology since 2014. We “Embibe” across 12 centers in 10 states of India. Using Embibe, we reach the remotest locations of the country (even Kargil, Leh Ladakh, Tawang Valley, etc). Embibe also provides another far deeper advantage - A personalized and in depth analysis to every user, in contrast to coaching classes with over 400 students per class, where the delivery is just a monologue.
