**2. Technical Branch:** Female engineering candidates of age 18 to 28 years can opt for technical branch. There are two types of technical service whose educational qualification conditions are given below:

- **Aeronautical Engineer (Mechanical):** Minimum four year degree course from a recognized university with aggregate of minimum 60% marks and qualification in at least eight subjects out of eighteen as per notified in the advertisement OR cleared Section A and B exam of Associate membership of Institution of engineers or Aeronautical society of India in regular courses
- **Aeronautical Engineer (Electrical):** Minimum year degree course from a recognized university with aggregate of minimum 60% marks and qualification in at least eight subjects as per notified in the advertisement OR cleared Section A and B exam of Associate membership of Institution of engineers or Aeronautical society of India or graduate membership exam of the Institute of Electronics and Telecommunication Engineers in regular courses
- 

### **3. Ground Duty Branches:**

Those who want to opt for the ground duty branches, the age requirements are different. For graduates: 20 to 23 years, Post Graduates: 20 to 25 years, LLB: 20 to 26 years, M.Ed/ PhD/ CA: 20 to 27 years. There are three types of services in Ground Duty Branches whose educational qualification conditions are given below:

- **Administration and Logistics:** Graduate in any discipline from a recognized university with aggregate of 60% marks OR a Post Graduate degree/ diploma in any discipline from a recognized university with aggregate of minimum 60% marks
- **Education:** Post Graduate degree in any discipline with aggregate of minimum 50% marks
- **Accounts:** Graduate degree in any commerce with aggregate of minimum 60% marks OR a Post Graduate degree/ diploma in Commerce (M Com) / CA / ICWA with aggregate of minimum 50% marks

## Non-AFCAT Entry:

- **Meteorology Branch:** In this entry, candidates are short-listed and called for SSB interviews at Air Force Selection Board's. Age group in this entry is 20 to 25 years and 27 years for PhD candidates. To be eligible for this entry candidates must be having a Post graduate degree in any science stream / Maths / Statistics / Geography / CS / EVS / Physics / Geo-physics etc. with minimum 50% aggregate and have scores 55% marks both in Maths and Physics at graduation level. Final year students can also apply for it.

## INDIAN NAVY

### Executive branch

- **SSC- Air Traffic Controller:** Women candidates of age 19 ½ to 25 years are eligible for this entry. They can apply for this entry if they have completed their graduation in any science stream i.e. Physics/Maths/Electronics OR M.Sc with Maths / Physics /Electronics.
- **SSC- Observer:** Women candidates of age 19 to 23 years can apply for this entry. For applying in this entry, women candidates need to have a graduate degree in any discipline with minimum 55% marks with Maths and Physics at 10+2 level.
- **SC- Law:** This entry is for female Law candidates whose age is between 22 to 27 years as per notified in the advertisement. To be eligible for this entry a candidates should carry a graduate degree in LAW with minimum 55% marks.
- **SSC- Logistics:** Women candidates who hold B.E/B.Tech in Computers, IT, Architecture, Civil, Electrical, Electronics, Mechanical, Marine engineering OR graduate with PG diploma in material management are eligible for this entry. The age group is 19 ½ to 25 years as per notified in the advertisement.

### Engineering branch

- **UES SSC (Naval Architecture):** Women engineers carrying the B.E/B.Tech degree in naval architecture / Mechanical / Civil / Aeronautical / Metallurgical / Aerospace engineering with 60%

marks can apply for it. The age group for this entry is 19 to 25 years as per notified in the advertisement

- **SSC Naval Architecture:** Women engineers within the age group of 21 to 25 years as per notified in the advertisement and having B.E/B.Tech degree in Naval architecture / Mechanical / Civil / Aeronautical / Metallurgical / Aerospace engineering with 60% marks can apply for it.
- **Education Branch:** Women candidates of age 21 to 25 years are eligible for this entry if they have passed B.E/B.Tech in Computer Science, IT, Electrical, Electronics, Mechanical OR M.Sc in Physics / Maths / Computer application with at least 50% marks
