Dear Parents,

As the class X writes their Board Examination, I request you to converse and explore the interest and aptitude of your daughter to help her choose her subjects/stream in class XI in the coming session.

It is observed that there is a major leap in the difficulty level of subjects for class XI & XII in all streams. In the interest of our students, a criterion is planned so that studies in Senior Secondary level are not stressful.

A cut off has been fixed which is based on Class X Board Examination marks. All students meeting the required grades automatically get their choice of stream. Those who do not meet the minimum grade eligibility will have to appear for the Eligibility Test.
