# THE GATEWAY FOR YOUR **CHILD'S** **ENTRY** INTO THEIR **DREAM** COLLEGE

Powered By

## College Admission Competition is at an All-Time High

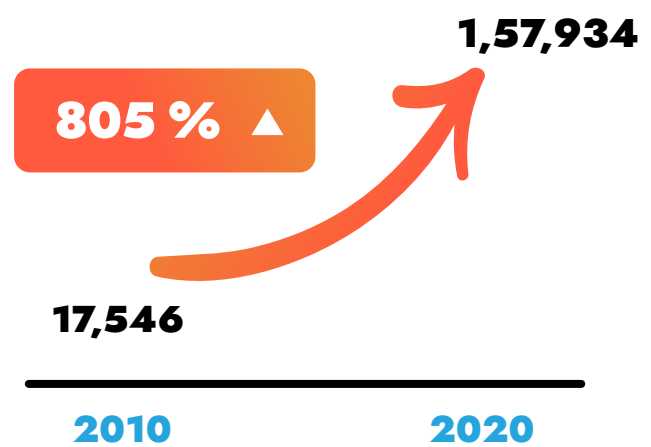

Across Top Indian Colleges

**70** Students compete for **ONE** college seat\*

\*Average taken across entrance exam applicants

Everyone Seems to be getting 90% + Marks

Marks are considered as an **ELIMINATION CRITERIA!**

**Your child is worth more than their marks!**

## What is ProMap?

**ProMap** is a **Profile Building Program** to build a college-ready profile that will ensure your child's admission into top international **colleges and universities**.

A College Ready Profile that will -

- ✓ Highlight achievements **beyond academics**
- ✓ Align your child's **passion and interest**
- ✓ Show **demonstrated interest** in a particular field of study

**A DREAM WITHOUT A PLAN  
IS JUST THAT ... A DREAM!**

Activities	Outcomes
1 Career Guidance	Finalizing Career Goals
2 Roadmap planning and Finalisation	Personalized road map to achieve the target profile score
3 Peer Interaction	Networking & learning from peers
4 Alumni Interaction	Mentorship and guidance from Seniors
5 Reflection on Learnings	In-depth understanding and confidence over your child's career goals
6 CV Generation	A 'College-Ready' CV
7 College Admission Planning	All college admission-related information on a single dashboard

## How ProMap Makes it Happen?

- ✓ Each activity has an eligibility criteria set that depends on the student completing prior tasks
- ✓ Regular counsellor intervention and expert guidance for students to stay on track
- ✓ Ensuring Parent - Student alignment in every way!
- ✓ Scientific and well-researched recommendations ensure an overall profile development that DEMONSTRATES INTEREST of the student

# TRANSFORM YOUR CHILD'S COLLEGE DREAM INTO A REALITY
