Hello! This is for Utkarsh tanna from Brightstart international school grade 10. We would like to know if it is compulsory to take a 2nd language in grade 10 to be able to give any government board exam later. Like if he wants to go to a regular college in 11 n 12 is a 2 nd language compulsory?

Thank you for your cooperation.

Regards

I have confirmed my phone number and my school says they've paid for everything but when I select a test to take, it still says I have to pay. Why is this? And how do I solve it? Am I supposed to receive a discount code or something? Please advise.

Good evening. I am a student of Brightstart international school Utkarsh Tanna. I am not able to confirm my login even after registering so any tests that I have to take is asking me to make payment.

Kindly assist me for the same.

Thank you
