Hey! This is Dhikshitha. My sister is having an interview on April 7th for Jain university. She has applied for B.Sc Data science. I want to know what kind of questions will asked, and how I should be mentally prepared for it.It would be great if you could send me few sample question papers. I know it's a tall list of order but it would be very kind of you,if you could get to me as soon as possible. Looking forward for your reply.
