Hi,

I have been facing an issue in taking the self assessment tests (including the stream selector, ideal career, etc) on your Univariety portal.

Further to my earlier complaint on the 8th Aug 2020, now the error shows as: "License limit exceeded. Please contact your system administrator for help".

I have not received any acknowledgement for the complaint receipt from your end; nor has the problem been solved yet.

Attachment:

1. Error as showing up today (10th Aug 2020)
2. & 3. Earlier errors as showing (last week - screenshot taken on 8th Aug 2020)

Kindly do the needful and revert,

Regards
