## Umail Queries

Hello to the respected authorities,I got to know about your particular institution from my school itself. I actually took one of those tests where you determine your career interests by answering a set of questions about your personality. Right so, other than that I also attended one of your webinars about liberal arts in which one of the professors from O.P Jindal university Mr. Shawn Bala give a brief about liberal arts and its scope. I got to know about liberal education in midst my 12th standard and from that point onwards I've developed keen interest in studying and pursuing liberal arts further. And I'm also applying for JSAT which is an exam conducted by O.P Jindal itself. I also have a few more questions so it will be really helpful if you could connect me with one of your counsellors so that I can clear my queries and get further information. Your assistance will be really helpful.Sincerely,Nupur Verma (Student)
