I am Hunar currently studying in grade 11. I have taken commerce as my main subjects and I aspire to join s.p.jain for my BBA course. But their fee is very high. How should I start preparing for getting into s.p.jain on scholarship?. Also, if i do get a scholarship will that be just for one year or for the entire course?.

My initial plan was to do a regular BBA for three years and then do an MBA with a specialization in marketing as I want to go into the field of fashion marketing. I want to work in the sales or marketing department of a fashion magazine outside India. But after attending a session held by s.p.jain it got me thinking. Now, I would like to about the following:1. your opinion of an approach to fashion marketing after the BBA course in S.P. Jain.2. Fee structure of S.P.Jain3. Any other suggestions you have.Also, I want to travel around the world while working at my job and I believe that fashion marketing will give me that opportunity but the 2years of job provided after BBA degree at s.p. Jain is just Australia. Is there any way we can travel while doing that job?
