Did you Know ?

Getting your dream Career is not just about Academics !!! Your Non - Academic Student Profile matters as much if not more !

Univariety brings you ProMap - A program to help you Go "Beyond Academics"

1. What is a Non-Academic Student profile?

A Non-Academic Student profile showcases your child's activities and achievements that display his/her dynamism beyond the classroom.

2. Why is a Non-Academic Student profile important?

With more students scoring top Academic marks, Universities find it hard to spot Academic and other acumen in students. Which is why, leading Universities across the world have increasingly started paying close attention to students' achievements beyond academics. They want dynamic students who display strong leadership, confidence and passion in their areas of interest.

3. Where can I find courses/ activities to pursue to enhance my non-academic profile?

ProMap has a comprehensive list of activities and programs in its database which it matches through its proprietary algorithm to give a student his or her very own unique roadmap.

4. What kind of Non Academic Programs does ProMap recommend?

- Summer programs
- Internships
- Olympiads
- Online Courses
- Indian and Global Competitions
- Exchange Programs
- Performing & Fine Arts Programs
- ...And much more!

Univariety is India's first company to use technology to setup a complete career & college guidance cell inside progressive schools. Students receive guidance from counsellors, digital tools, university admission officers and from the past students of the school. Univariety runs a successful Global Career Counsellor program for certifying teachers in association with a top University - UCLA Extension. Univariety has proved to be a comprehensive partner for schools wanting to go beyond the regular and focus on student success.
