PSYCHOMETRIC CAREER TEST

Choosing a career will be one of the biggest decisions you take in your life. To make a wise decision, you need to be aware of your own strengths and inherent interests. Our online psychometric test will analyse your personality, document your strengths and detail out your areas of interest. It will help you shortlist careers which will best suit you. Thousands of students have made use of this tool to make an informed decision about their future.

Pay ₹2300 to start the test!

PAY & TAKE THE TEST

Why take the test?

The test will

- Help you better understand your strengths and personality
- Suggest to you a set of careers which best suit you. You will discover new career options that you might not have considered earlier.

Click on "pay and take the test" , enter the test code given and proceed to take the test.
