Student Profile

According to Bruce Lee, "The successful warrior is the average man, with laser-like focus." It has been a pleasure to be a part of Dakshita's journey from good to great! I have known her for several months now and it has been a pleasure to see her give her 100% to everything that she undertakes. She does not let setbacks deter her, rather, they seem to motivate her to work harder. She chaired the UNICEF at the Shiv Nadar MUN 2017 and she also completed a 2 week internship. This Year, Grade XI began their Academic Session by putting up their original production 'Chitrangada' their adaptation of the dance drama by Rabindranath Tagore. She was a part of the Choir and also played the role of Ulupi in the production. She was a part of team that represented Shiv Nadar School at an interschool event at Pathways school and the team's graffiti on Sustainable Development was appreciated by all. Academically, her written work is submitted on time and is neat and systematically presented. I feel that she is yet to realize her potential but her zeal to excel in all that she undertakes will ensure that she will give tough competition to her peers in the coming term.
