

## Student Details

<b>Name</b>	Dakshita Chandra
<b>Class &amp; Section</b>	XI B
<b>Roll No</b>	5
<b>House</b>	Panther

## Student Profile

Even though going for the Grade XI Outbound Learning Experience where they explored Auroville and the city of Pondicherry was a difficult decision for Dakshita, her smile, enthusiasm and ability to get along with everyone added life to the tour and I am sure that she has come back with many memories to cherish. I know that the current year has been disheartening for her as she feels that she has not been able to perform well. I am sure that she will use her learning from this year to plan better in the coming year. Even a billion starts with ONE – all she needs to do is take that ONE step and keep trying again and again until she reaches where she want to be. Dakshita has successfully completed the learning programme for the session 2017-18 and is now promoted to Grade XII Sariska. Our best wishes are with her for the Academic Session 2018-19!
