

Political Science

Dakshita is an energetic and outspoken student. She is industrious and eager to learn. She enjoys participating in the conversation and class dialogue. She is well liked by her fellow students for her enthusiasm in serving others. She is keen on the pursuit of knowledge and would raise questions and discussions when in doubt. She is gifted with a pleasing aura and good speaking skills, which was proved in the symposium- Seeking Socio-Economic Integration of Refugees through Livelihoods, where she enthralled the audience as the host of the event. She continued to blossom as the year progressed. It has been a pleasure to have Dakshita in the class. Warm wishes to you on being promoted to the new level and wish you all the luck to make it a success story.
