

Your personality type is ESTJ:

Friendly, outgoing and honest, you tend to have traditional, often quite conservative views and are comfortable expressing your opinions. You trust personal experience and are more interested in real things and immediate problems rather than theories or possibilities. Practical, realistic, organized and efficient, you seek to instill order and structure, and work hard to meet or exceed expectations.

You are direct and frank, like to keep busy and see tangible results for your efforts. You make quick, logic-based decisions and move on to the next task. Responsible and conscientious, you enjoy being in charge and organizing people and projects.

Somewhat rigid, you may try to force others to conform to rules and structure. Outspoken and assertive, your strong opinions may at times be perceived as harsh criticism. You may not think about the impact of your decisions on others until it's pointed out to you. You need to consider people's feelings, even if you do not entirely understand or agree with them.

Not particularly interested in possibilities -- especially abstract ones -- you may resist ideas that have not been proven by experience. Focused on the present and in a hurry to make decisions and get things done, you may not stop to consider any less-obvious options. To be more effective and make better decisions, you need to take the time to collect and consider all the information.
