

## Your personality type is ESFJ:

Friendly and outgoing, you enjoy meeting people. Relationships are important to you. You care about people's feelings, and are eager to please and help others in real and practical ways. You are sympathetic and caring, with strong opinions based on your values.

Energetic and interested in lots of things, you have many projects, activities and friends. You have great common sense and a good memory for detail. Hardworking, organized and conscientious, you enjoy being part of a cooperative team. You value tradition, take your responsibilities seriously, and are willing to put a lot of energy into the things you believe in.

You need harmony in your relationships and tend to avoid conflict. You may also take criticism very personally. You like a constant routine and may be a bit rigid when you don't have time to adjust to changes. Once you've made up your mind it's often hard to go back, even if new information comes to light. Eager to get things done, you may make decisions too quickly and then feel stuck with those choices.

You do not naturally focus on possibilities, especially the less obvious ones, and may get discouraged if you can't see a way out of a bad situation. Once frustrated, you may feel the problem is hopeless and give up, or become negative and critical. You sometimes need help looking past the immediate to the future implications of your choices.

You are very literal and like others to be clear and explicit about their expectations of you. Since you strive to be prepared at all times, you may have trouble improvising or dealing with sudden changes of plan. Organized and efficient, you generally like to work carefully and steadily through a project, one step at a time.
