

Your personality type is ENTP:

You are friendly, creative and confident. You have lots of friends and acquaintances and are pretty easy to get to know. You love to talk and be in the spotlight. You especially enjoy entertaining others with your engaging stories, wit and unusual sense of humor.

You have little trouble adapting to change. You pride yourself on your creativity and ability to see possibilities where other people can't. You grasp new ideas quickly and enjoy learning. However, you are easily distracted and tend to get bored as soon as the challenge in a project is over.

While you are easygoing and playful, it is often a struggle to make decisions or commit to one plan of action for an extended period of time. This is because you are so curious and eager to experience as much of life as you can.

You are also very logical, and bothered by inconsistencies and unfairness. You love a spirited debate, regardless of the topic, but can sometimes be argumentative. Your spontaneity and enthusiasm are infectious, and other people often want to follow your lead.

Since you like starting things much more than you enjoy finishing them, you often have trouble slowing down, preparing carefully, and following through with your commitments. Luckily you are great at improvising and get a real sense of excitement from accomplishing things at the last minute.

You are also an excellent negotiator. You can usually convince or charm other people into letting you have your way — or give you one more chance!
