

Your personality type is ISFJ:

You are quiet, serious, hardworking and conscientious. Practical and realistic, you pay careful attention to detail. You are good at accurately remembering facts and details, especially those relating to people and your interactions with them. To do your best work, you need clearly defined directions and expectations. You have good common sense and tend to make conservative, thoughtful and sensible decisions.

Patient and caring, you are interested in others' needs and feelings, but generally only share your own feelings and opinions with people you know well. You are protective, loyal, devoted to friends and family, and take great pride in their accomplishments. You have a strong work ethic and take your commitments seriously.

By nature, you tend to be totally focused on the present. Sometimes you don't fully understand a situation because you are too focused on the details. You may not see possibilities that don't already exist or are unproven. Careful, thorough and meticulous, you may feel overwhelmed when learning new skills. You may not like to ask others for help for fear of disturbing them.

Your decisions are based primarily on your feelings and values, so they are not always very logical. Generous and kind, you tend to put other people's needs above your own, which can lead to you becoming overworked or pulled in too many directions. You need to work at being assertive so that inconsiderate people don't take advantage of you. You strongly dislike tension and conflict and will try to accommodate people's needs.

Neat and organized, you usually dress aptly for all occasions. You're probably careful with your money and possessions. You like to have things settled and are annoyed when plans change without notice. You don't like to take risks and are happiest with a predictable routine. While you want to please the people close to you, you are rarely willing to compromise on really important issues.
