

Your Personality

Your personality type is ENTJ:

Extraversion Introversion

Introversion (I) vs. Extraversion (E)

How we interact with the world and where we direct our energy.

Introversion

- Focus attention inward
- Enjoy tasks that require concentration
- Work best on one project at a time
- Work at a careful, steady pace
- Consider things fully before speaking

Extraversion

- Focus attention outward
- Enjoy a variety of tasks
- Seek out and need other people
- Work at a rapid pace
- Need to talk through their ideas

Sensing (S) vs iNtuition (N)

What kind of information we naturally focus on and remember.

Sensing

- Focus on "what is"
- Like working with what can be seen and touched
- Apply past experience to solving problems
- Need specific and realistic directions

iNtuition

- Focus on "what could be"
- Enjoy theory and speculation
- Like thinking about the future and possibilities
- Need to use their imagination

Thinking (T) vs. Feeling (F)

Make decisions logically and impersonally, or use personal values.

Thinking

- Are motivated by achievement
- Enjoy analyzing problems logically
- Make fair and unbiased decisions
- Need to weigh the pros and cons to make decisions
- Can be tough negotiators

Feeling

- Motivated by work that is meaningful
- Sensitive to how issues affect people
- Like helping others and being appreciated
- Need decisions to be congruent with their values
- Need to work in a friendly environment

Judging (J) vs. Perceiving (P)

More structured (finalize decisions) or more spontaneous (keep options open).

Judging

- Enjoy work that allows them to make decisions
- Prefer a predictable work pattern and environment
- Work towards completing their responsibilities before relaxing
- Like to maintain control of their projects

Perceiving

- Enjoy flexible and changing work situations
- Like to be able to respond to problems as they arise
- Are more satisfied with fewer rules and procedures
- Need to have fun in their work

Your Personality Profile

Confident and assertive, you speak your mind and always seem to be sure of yourself. While honest and fair, you are also quite outspoken. You have strong opinions and are usually able to convince others that your position is right.

Friendly and comfortable being the center of attention, you probably have a large group of friends. People admire your determination and willingness to push yourself to achieve your very high standards.

A creative person who asks thought-provoking questions, you love to learn but are bored by repetition. You need constant new challenges to remain interested. You are imaginative and like to look beyond everyday routine to really understand why the world operates as it does.

Decisive and organized, you like to be prepared at all times and may find it difficult or embarrassing to try improvising. You like to be in charge, but sometimes take over projects that aren't really yours. You are frustrated by inefficiency and find illogical rules infuriating.

You want to be good at everything you try. You especially like to demonstrate your competence to others. People look to you as a natural leader and are often impressed with your knowledge. Others respect you and feel comfortable giving you a lot of responsibility.
