- Need to have fun in their work

Your Personality Profile

Warm, outgoing and talkative, you make friends easily and are often popular and well-liked. You are enthusiastic and cheerful. You care deeply for family and friends, and express your feelings through words and actions. People often comment on your ease with language. You have strong beliefs and opinions, which you express tactfully.

You are very empathetic and have an innate sense for what other people are feeling. Tension or conflicts make you very uncomfortable, so you try hard to please others and to bring order to those who are in dispute. You hate direct confrontation and will soften your message or avoid being entirely honest if it helps to maintain harmony and prevent bruising others' feelings. Your own feelings are easily hurt, so you have difficulty accepting even the most constructive criticism.

Creative and often imaginative, you may love learning, daydreaming and entertaining others with your many artistic talents. You are quick-witted and good at putting ideas together. Organized and productive, you feel energized by completing projects and gain a lot of satisfaction from it.

You like to be in charge and can usually come up with a plan, even for complex projects. But you tend to become annoyed if people try to interfere with your strategy.

You like to know what's expected of you and care about what others think. You find it very hard to remain calm and objective when you're upset. You're a very sensitive person; being so insightful about others is both a blessing and a curse.
