When is 90% > 95% ?

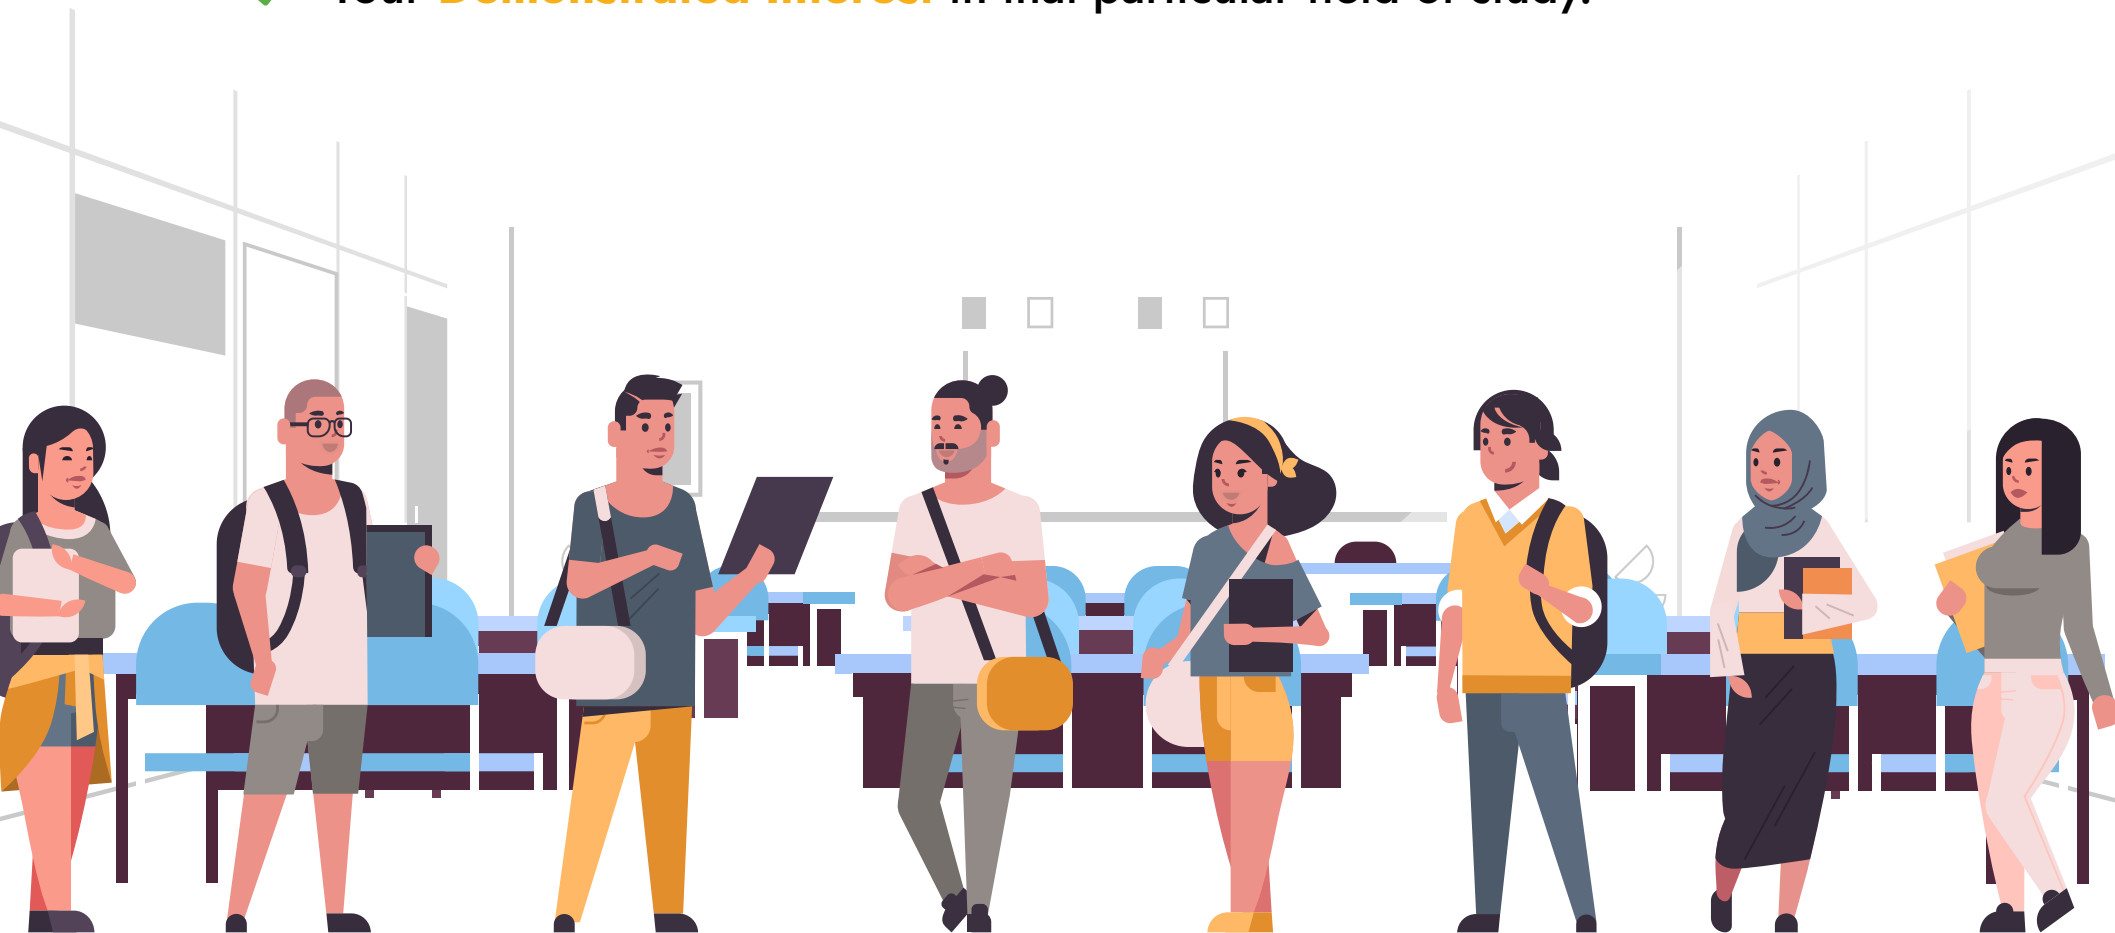

For every **1 seat** in a **top college** today, there are **70 candidates**. What will set you apart and get you that admission?

It will be your Profile that is -

- ✓ What you have done **beyond academics**
- ✓ How it aligns with your **passion and interests**
- ✓ Your **Demonstrated Interest** in that particular field of study.

ProMap is an algorithm

That helps Schools Students to build a Profile which will be Loved by
Admission Officers at Top Universities Globally

How does ProMap Work?

- ✓ Expert counsellor guide you to complete assessments to finalize YOUR CAREER GOALS
- ✓ Planned interactions and access to Student Mentors already studying in top colleges around the world.
- ✓ The algorithm calculates your current personalized score based on everything you have done so far. A target score is then assigned for you to get into that dream college.
- ✓ Our algorithm dips into a pool of over 1,000 award winning programs from all over the world to create A CUSTOMISED PLAN with CONCRETE TIMELINES for every Student.

That the expert counsellors then help the students to complete!

A dream without a plan is just that ... a dream.
