Accreditation

Western New England University is accredited by the New England Association of Schools and Colleges. The College of Business is accredited by AACSB International - The Association to Advance Collegiate Schools of Business. Biomedical, Electrical, Industrial and Mechanical Engineering undergraduate programs are accredited by the EAC Commission of ABET, www.abet.org.

The Civil Engineering and Computer Engineering undergraduate degree programs are following the application process for accreditation as outlined by ABET, Inc. The Social Work program is accredited by the Council on Social Work Education. The College of Pharmacy's Doctor of Pharmacy program has been granted Candidate status by the Accreditation Council for Pharmacy Education. The doctoral program in Behavior Analysis has been accredited by the Association of Behavior Analysis International (ABAI) (2019-2014). The School of Law is accredited by the American Bar Association.

Fewer than 5% of business schools worldwide are accredited by AACSB International.

International Students in Profile

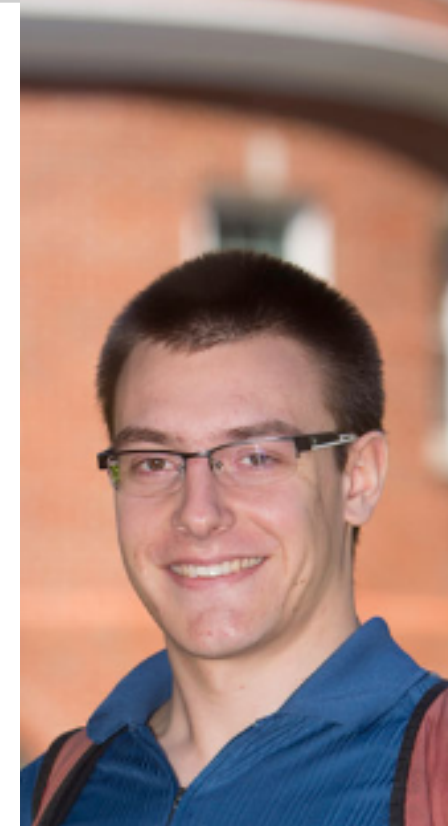

Filip Novakovski

2014 Psychology graduate from Ohrid, Macedonia

“The professors are the best thing about Western New England! I simply can't imagine Western New England without them, for they are the leading force making the University an enjoyable educational environment.”

Where is he now?

Pursuing a master's degree in Psychology at Columbia University.

Hear from one of our current international students from Hong Kong about what drew him to Western New England University.

Watch Video

Guillermo Rodriguez

2011 Master of Science in Engineering Management graduate from Spain

“My degree enhances my career because of both the knowledge I have acquired in the MSEM program and the improvement of my English language skills. I felt like I was part of the community at Western New England.”

Where is he now?

Working as Telecommunications Engineer as a Teleport Lead Engineer with Santander Teleport which is a partner of the american company, MTN Satellite Communications.
