ABOUT US

DSK International Campus is a joint-venture between DSK Group (India) and RUBIKA (France), under the supervision of Chamber of Commerce and Industry of Grand Hainaut (CCI). Established in 2007, we aim to provide practical and industry-centric learning.

Our innovative pedagogy focuses on practical learning fostered by our trainers of international experience who understand global industry practices. Our trainers are recruited on a full time basis from all over the world. With a world-class infrastructure and contemporary training facilities, our students are given a diverse learning environment.

Both students and trainers come from different parts of the world making the campus vividly diverse. The students are exposed to an eclectic mix of culture and perspectives which is evident in their work.
