### Class Teacher Reflections

A vivacious and affable girl, Tarini makes a delightful presence in the class. Her outgoing nature and ability to befriend everyone are truly endearing. In fact, her ability to rationalize her thoughts and weigh them against popular beliefs or norms before forming an opinion, make her a level-headed person and a logical thinker. Her outstanding performance throughout the year also bears testimony to her intellectual prowess and diligence. She must keep up the good work; for I truly believe that nothing is impossible for her once she sets her heart to it. Therefore, she must stay focussed and work consistently to set new benchmarks for success. I wish her good luck for a bright future.
