Scholastic Report:

English A: Literature Ms. Janhavi Gadre	Kanika is an enthusiastic learner with a strong attention to detail in all of her projects. Her voracious appetite for literature is a strong trait. However, she needs to focus on improving the structure of the answer. Keep up the good work!
French Ab Initio Ms. Arti Patil	Kanika is a very serious and conscientious learner who always completes her work in detail with great care and attention.
Economics Ms. Ichha Garg	Kanika is well familiar with all economic concepts and theories. She needs to develop a little more understanding of the requirements of questions in paper 1. Application, evaluation and practice of analytical skills will help her improve her score in economics.
Psychology Ms. Niharika Mehta	Kanika is hard-working and dedicated. She shows her critical thinking and conceptual understanding by linking and applying theories to everyday life. She shows a strong desire to gain more knowledge. She takes all feedback into consideration and improves her performance in tests. Keep it up!
ESS Dr. Mousumee Mishra	Kanika's performance in Paper 2 of ESS has been extremely satisfactory. However, she has to interpret her responses more accurately in Paper 1 to boost her scores in the future. Stay motivated and manage your time well.
Mathematics: AA (HL) Mr. Shivaji Shukla	Kanika is regular and attentive in the class. Her mathematical concepts are clear. A little more effort is required to score well in the exam.
