PHYSICS	MY	5	77%
MATHEMATICS	MY	7	97%
DESIGN	MY	6	95%
PERSONAL PROJECT	MY	6	89%

Result: Certificate awarded

Director general - Geneva

## Notes on the transcript of grades

### The Middle Years Programme

In the final year of the Programme, optional MYP eAssessment provides IB-validated grades based on examinations and course work. Students who undertake external assessment are eligible for MYP course results and the IB MYP Certificate. The following are the requirements for students who wish to obtain the MYP Certificate.

Middle year candidates are required to study a minimum of one subject from a minimum of six subject groups in years 4 & 5.

The choice of six or more subjects must be made from:

- language and literature
- language acquisition (or an additional language and literature subject)
- individuals and societies
- mathematics
- sciences
- one subject from arts, physical and health education, or design.

In addition to completing the assessment requirements of six subjects, a candidate must also meet the requirements of the following to be eligible for the award of the IB MYP Certificate.

- Interdisciplinary on-screen examination
- Personal project
- The school's requirements for service as action

The award of the certificate requires obtaining a grade 3 (each element is graded on a scale of 1 (minimum) to 7 (maximum)) in at least 1 subject from each group, the personal project and the interdisciplinary on-screen exam, obtaining at least 28 points from six subject groups, the interdisciplinary on-screen examination and the personal project combined, out of a possible maximum of 56 points, as well as completing the compulsory school's requirements for service as action.

### Grading and Results

A candidate's examination performance in individual subjects, the onscreen exam and the personal project are graded from 1 (lowest grade) to 7 (highest grade). The maximum possible score is 56 points.

A bilingual certificate indicated that the candidate has completed at least one of the following additional conditions.

- Achieving at least a grade 3 for two language and literature on-screen examinations.
- Achieving at least a grade 3 for a science, individuals and societies, or interdisciplinary on-screen examination in a response language that is not the same as the candidate's chosen language and literature examination subject. The candidate must also achieve at least a grade 3 in the language and literature examination subject.
- Achieving at least a grade 3 for the submission of an ePortfolio for arts, physical and health education, design, or the personal project in a response language that is not the same as the candidate's chosen language and literature examination subject. The candidate must also achieve at least a grade 3 in the language and literature examination subject.

A candidate who does not satisfy the requirements of the full programme or has elected to take fewer than 6 subjects is awarded MYP course results for the examinations completed.

For further information please refer to the Programmes section on the website [www.ibo.org](http://www.ibo.org).
