THE FIITJEE WAY

The Value System

FIITJEE Value System revolves around Truth, Transparency & Commitment. Whatever we think, we say & whatever we say, we do. We present to you what we actually are.

The Quality

We never compromise on quality. Our penchant and pursuit of quality is evident in our every activity, in all our actions, at all times, everywhere.

Best Faculty

Every institute for IIT-JEE training worth its name tries to get a FIITJEE faculty. We are the only institute that follows a very strong, systematic & objective selection and training process before a teacher becomes a FIITJEE faculty. **FIITJEE has a pool of more than 1300 very competent full-time faculty** ensuring you get highly effective teachers in all the subjects throughout your studies.

Pattern Proof Teaching Methodology

FIITJEE has always been preparing Students in a fundamental way. **FIITJEE has been teaching in a comprehensive way so that Students do well in IIT-JEE (irrespective of the pattern), Boards, NTSE, KVPY, Olympiads and Other Engineering Entrance Exams.** For the last 5 years our Students have been securing admissions in the top 10 US Universities where admission is based on the performance of School + Last Board Exam and SAT-I, SAT-II, AP Exams & TOEFL.

Testing pattern of IIT-JEE keeps on changing but the key aspect of the test is to judge the analytical ability of the aspirants along with the understanding of fundamentals.

Students having sound understanding of fundamental concepts & practising persistently with all types of problems will always outperform Students who are only confining their preparation to the pattern rather than understanding the concepts.

Comprehensive Study Material

The fact that every publisher / institute refers to our Study Material & JEE Solutions while creating their books / solutions / study material is a testimony to our quality. There is a bit of FIITJEE in everybody associated with IIT-JEE, be it Students, coaching institutes or publications. Ask any Student successful in IIT-JEE & explore the truth yourself. **Our Study Material is Pattern Proof** i.e. Students are prepared for the IIT-JEE irrespective of any type of pattern.

Enabling Infrastructure

We strongly believe in the fact that the environment in which a Student studies in is equally important for effective learning. We ensure our Students study in an enabling environment equipped with proper Classrooms to keep them stress free.

Personalized Coaching

Individual attention is given to each and every Student irrespective of one's standing in the merit at any point of time. **We never increase our batch size beyond a limit,** this facilitates proper Student-Faculty interaction. Our faculty is always willing to clear doubts of Students even individually, if required.

THE FIITJEE WAY

The Winning Methodology

Our Methodology makes the Students capable of creatively resolving complex & tricky problems by improving and sharpening their analytical skills & parallel thinking processes. We develop and share the right strategies from time to time to optimize Students' output.

Innovative Programs & Concepts

Innovation is the essence at FIITJEE. **PINNACLE, SUPREME & UDAYA Plus Programs are already revolutionizing school education in India.** We are the pioneers in designing a specific IQ Test to test the temperament and potential of a Student for IIT-JEE. The Student's score in this test helps us judge his / her potential in the beginning itself and the level of input required for his / her success. This makes our Classroom Programs very effective as we know in advance the level of input needed for different Students. **FIITJEE is the only institute in India having the capability to predict Rank Potential Index (RPI) / Success Potential Index (SPI)** of a Student & constantly encourage our Students to emulate them.

The Total Success Approach

Even though our programs aim at **JEE Advanced** (erstwhile IIT-JEE), we prepare Students comprehensively also for KVPY, SAT, Olympiads, NTSE and all other important Engineering Entrance Exams including **JEE Main** (erstwhile AIEEE) / BIT-SAT / VITEEE / CET (Karnataka) / CET (G.G.S.I.P. University) / BVP (Pune) / EAMCET (Andhra Pradesh) / KEAM (Kerala) / UPSEE / MP PET (Madhya Pradesh) / CG PET (Chhattisgarh) / RPET (Rajasthan) / BCECE (Bihar) / WBJEE (West Bengal) / AMUEEE / J&K CET / JCECE (Jharkhand) etc too.

Research & Development

Our Research and Development team works round the clock to ensure that our teaching methodology, study material and course structure is upto date. This committed team keeps a keen eye on the latest developments and changes in the **JEE Advanced** (erstwhile IIT-JEE), **JEE Main** (erstwhile AIEEE), other prestigious Engineering Entrance Exams / Olympiads / NTSE / KVPY and swiftly incorporates them in our course curriculum.

THE FIITJEE JOURNEY

Mr. D. K. Goel

(Founder Chairman and Chief Mentor)

FIITJEE was created in 1992 by the vision and toil of Mr. D. K. Goel, a Mechanical Engineering Graduate from IIT Delhi. We had a very humble beginning as a forum for IIT-JEE, with a vision to provide an ideal launch pad for serious JEE aspirants. Along the way to realization of this vision, we went beyond merely coaching for IIT-JEE. We actually started to make a difference in the way Students think and approach problems. We started to develop ways to enhance Students' IQ. We started to leave an indelible mark on the Students who have undergone FIITJEE training. We started changing lives. And all this was not a sheer coincidence. It was the urge, the compelling desire, to always aspire for perfection and in the process, continuously keep on setting newer benchmarks of excellence, which enabled us and our Students to achieve what we have achieved. Today, aiming for the unachievable and continuously raising the bar has become a part of the FIITJEE DNA.

The Success of our Students was inspiring and so was their faith in FIITJEE. It was this faith that was a catalyst for our venturing into areas beyond IIT-JEE. It was this faith that prompted us to embark on a mission to provide **Wholesome School Education** to Students through FIITJEE Integrated School Programs like **UDAYA Plus**, **SUPREME** & **PINNACLE**, in a way so that there was no need for any type of coaching outside of the School System. In addition to the launch of **FIITJEE Junior Colleges in Bhubaneswar, Hyderabad, Vijayawada & Visakhapatnam** many like-minded Schools across the Country joined hands with us in this Student centric endeavor to create **Ideal School Education** platform for Students to get admission in IITs & US Universities without stress & tension along with huge success in Olympiads, SAT-I & SAT-II. And it was this faith only that again enabled us to create landmark success in NTSE.

And it is this very faith that has again inspired us to provide a platform for Students aspiring for admission to US Universities in form of USA UnivQuest - a comprehensive program taking care of all aspects of the preparation - in the same old, trusted FIITJEE way. Launch of **FIITJEE World Schools at Hyderabad** is a concentrated effort in that direction, where Students will be trained for the best in the world through methodologies and practices that are truly world Class. Students in other select cities will also have an opportunity for preparing for admission to US Universities through USA UnivQuest School Integrated Programs to be run in collaboration with our Select Associate Schools.

This Journey from just an IIT-JEE Coaching Institute, to the most powerful brand in serious education has been exhilarating. However, the Journey is not over yet. For us at FIITJEE, The Journey will never be over... For us, this Journey itself is the destination.

Our admission test papers have not been restricted to a certain syllabi to ensure that students are not able to enhance their performance significantly by working only for a few weeks / days. A student who has worked hard in a thoughtful manner with sustained motivation over the years will do better than others. With this we come to know one’s real potential for Competitive Entrance Exams over others. Like IIT-JEE / Other prestigious competitive exams, our tests are low scoring. The technique to succeed is to improve your strike rate i.e. focusing on correct solutions rather than attempting all questions.

Students registering for Admission Test can download Free Sample Papers from our website. Log on to www.fiiitjee.com/samplepapers.htm with your Registration Number and Web Access Code as printed on the Admission Test Hall Ticket. Please ensure that you enter your correct details on the website.

START EARLY - BEAT THE COMPETITION

Serious students aspiring for success with a good Rank in the IITs / other Competitive Entrance Exams understand the importance of starting early in their preparation for IIT-JEE. As the competitive exams have become more competitive now, it is necessary to build a strong fundamental base, as early as possible. FIITJEE's early edge programs are designed to give serious students that extra advantage that can help them get a Top Rank in IIT-JEE / Other Competitive Entrance Exams.

- ❖ Gives you more time to adapt to the quantum jump in level of difficulty with better ease as there is more time for understanding and consolidation over a longer spread academic plan.
- ❖ Optimum utilization of time available.
- ❖ Early starters will always have more time before the actual Board & other Competitive Entrance Exams as their course curriculum will finish much before the batches starting later.
- ❖ More time to consolidate on one's performance and for self revision, polishing of examination temperament & removal of last moment doubts. This is very vital to help a student achieve a quantum jump in the IIT-JEE (Advanced) / other Competitive Entrance Exams Rank.
- ❖ As serious aspirants would never like to wait, the competence of the batch starting early would be very high as the brightest/serious of the lot will join at this stage thus giving you better competition you always wanted.
- ❖ Early tests & joining FIITJEE gives you more time for academics, extra inputs for school & board studies and **lower fees**. Students wishing to start early to beat the competition should appear in FIITJEE's earlier Tests.

MAJOR FEATURES OF CLASSROOM / INTEGRATED SCHOOL PROGRAMS

FIITJEE Classroom / Integrated School Programs are unique in themselves as they ensure the best possible result depending upon the basic potential of the Student and his / her ability to work hard.

The methodology developed by us and which is followed in our Classroom / Integrated School Programs for IIT-JEE (Advanced) preparation lays emphasis on making the Students imbibe the fundamental concepts of Science & Maths and on sharpening their analytical skills and parallel thinking process.

This makes them capable of creatively resolving complex and tricky problems by mere application of basic concepts. FIITJEE's experience is that the IQ level of the Students is raised significantly in the process.

- ❖ Valuable inputs and additional Practice Test Papers on School / Board exams are also given to all Classroom / Integrated School Program Students.
- ❖ Grand Masters Package (GMP), Rankers Test Papers File (RTPF) & All India Test Series (AITS) with Concept Strengthening Classroom Program (CSCP) are an integral part of all long / medium duration Classroom programs.

INTEGRATED SCHOOL PROGRAMS (NOT FOR PROFIT INITIATIVE)

FIITJEE Integrated School Programs are a dream of FIITJEE team to bring renaissance in the Indian Education System and we try to move towards Ideal School Education. **Being a private initiative at highly subsidized course fee, the seats for all integrated school programs are limited.**

Our Integrated School Programs have the capability to help Students of VII, VIII, IX, X, XI & XII to achieve - Overall Academic Excellence in X & XII Boards, State level science & scholarship tests, NTSE, IIT-JEE (Advanced), JEE (Main) in a single system within regular school hours thus bringing in tremendous focus & reduce undue stress.

What is an Integrated School Program ?

- A study program with a synergistic approach to both the School / Board studies as well as IIT-JEE (Advanced), JEE (Main), Other Engineering Entrance Exams preparation.
- A program for School / Board studies as well as IIT-JEE (Advanced), JEE (Main), Other Engineering Entrance Exam Preparation - that will complement each other.
- A program that will prepare Students extremely well not only for IIT-JEE (Advanced), JEE (Main), Other Engineering Entrance Exams but also for School / Board exams as well.
- A study plan that will ease out the pressure of time (or the feeling for the lack of it) for the Student, unlocking lots of extra time, giving enough time for self studies, which a Student would not have got otherwise and also giving him sufficient time for co-curricular activities, self study, sports, social activities etc. which are so important for his / her personality development.
- A program that eliminates the opposite pressure forces on the Student.

Benefits to the Students

- Students enrolling in this program will have an integrated study plan.
- The studies for both School / Board as well as IIT-JEE (Advanced), JEE (Main) will be controlled and executed by FIITJEE.
- This would mean that the Student would not be going through two separate schedules and Classes for the same subject.
- Complete Lab and other support will be provided to the Students.
- Integrated School Programs would provide thrust for the Students to participate in co-curricular activities, sports, social activities etc which are very important for their personality development.

FIITJEE & the Associate School will also aim for :

1. Proficient & Confident Communication ability for each & every Student.
2. Inculcating Sports / Exercises as a discipline for Physical Fitness throughout the life for each Student.
3. Improvement of Memory & IQ, Mental, Physical & Spiritual well being, Awareness & growth with intensive Yoga & Meditation for each Student.
4. Instilling Indian Culture & Values in each Student, not to learn all this as History & Geography but learn to live like that.
5. Developing personality traits (Focus, Effective Communication, Leadership Ability, Determination, Strategic Planning, Pro-active Approach, Handling Failures, Stress, etc.) & Positive Attitude required for success. (This is what corporate sector tries to teach employees who are 25 - 55+ years of age and hardly respond to changes required).

CLASSROOM PROGRAM FOR **CLASS VI**

LITTLE GENIE

One Year Foundation Program

Program aims at raising the IQ / Mental Ability of the Students to two years ahead of time and will develop logical thinking required for success in various future exams especially NTSE.

This Program will also guide the Students to approach Physics, Chemistry & Mathematics in an objective manner to solve complex numerical problems.

Success is never defined in absolute sense. It is very much a subject of relative performance. Children need to imbibe the spirit of competitiveness from an early age and start preparation for major milestone achievements, well in advance so as to avoid stress and pressure of preparation. **The Program Trains a Student for Overall Logical Thinking and Scientific Aptitude at an early age thereby Transforming the Academic Life of Students. This is the time while a Student Encounters Change in Academic Methodology from a text based Academics in Class V to a Matured Academic Life in Class VI and Beyond...**

Parents will be able to notice substantial difference in the analytical skills and IQ of their little ones.

The entire course will be covered in **4 Phases** and duration of the program will be around **175 hours**. IQ, Physics, Chemistry & Mathematics subjects will be covered. Besides Student will also get the following as an Integral part of the program:

- ❖ Single comprehensive study material: Additional problems will be supplemented wherever necessary Students should not require any additional books etc.
- ❖ Chapter Practice Problems: On each chapter Students will be given Chapter Practice Problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the Students with remarks and suggestions. Thus helping every Student to have a very strong command over fundamental concept knowledge very crucial for getting Top ranks.
- ❖ Work Books for Home Assignment.
- ❖ Mock Test Papers for class VI.
- ❖ Regular feedback & Test Analysis Sessions.
- ❖ Special Sessions on Vedic Mathematics.
- ❖ Students also gain important exam practice through quizzes, phase tests, & mock tests (conducted in a simulated environment giving the Students a 'feel' of the real exam) that can help them improve their examination temperament - a necessary element for success in any competitive exam.
- ❖ Success Potential Index (SPI): We are the only institute in India having the capability to predict Success Potential Index (SPI) of a Student. We constantly encourage our Students to emulate their Success Potential Index (SPI).

CLASSROOM / INTEGRATED SCHOOL PROGRAM FOR **CLASS IX**

IITs have restricted the number of attempts for IIT-JEE (Advanced). Students just have two chances – one just after the XII board exams and the second immediately in the next year. They should try to succeed in IIT-JEE in the first attempt itself and not take unnecessary pressure as uncertainty of ill-health or any accidents while appearing for the second & last attempt could be too risky. Till the eighties, it was alright if you started your preparation just after XI and at the beginning of XII, but even then to get Top Ranks you had to begin your preparation at the commencement of XI itself. In late nineties it became a norm to start preparation at the beginning of Class XI and devote at least two years to train rigorously for IIT-JEE.

Now, with the increase in competition and keeping in mind that only two chances are available, only the very talented Students can succeed by starting their IIT-JEE training in Class XI. But, if you do not have an inborn spark that can put you amongst Top performing Students in JEE you have no other choice but to start as early as Class IX to achieve the desired success in IIT-JEE.

Four Year Classroom Program **for IIT-JEE (Advanced), 2018**

This Program also helps the Student to excel in NTSE, X Board & XII Board. The Program will automatically ensure that you excel in JEE (Main).

Four Year Classroom Program is the ideal program for Students who wish to start early in their quest for a seat at the IITs. This program helps the Student to excel not only in JEE (Main), IIT-JEE (Advanced) but also in NTSE, X & XII Boards by building a strong foundation, enhancing their IQ & analytical ability and developing parallel thinking from a very early stage in their academic career. Students joining this program will have more time to clear their fundamentals and practice extensively for IIT-JEE (Advanced), their ultimate goal!

Entire course is divided into 13 phases - 4 phases in class IX, 4 phases in Class X and 3 phases in Class XI & 2 phases in Class XII. Our Academic Phase Plan covers the entire syllabus of JEE (Main) and JEE (Advanced). Each Phase has exhaustive Quizzes and Phase Test (both on JEE Main & JEE Advanced pattern). Additional doubt removal sessions, Rank Improvement Program (RIP), All India internal Test Series (AliTS), All India Common Phase Test, Grand Masters Package (GMP), Rankers Test Papers File (RTPF) & All India Test Series (AITS) are integral part of the Program.

Subjects covered will be Science, Maths, Social Studies and Mental Ability in class IX & X and Physics, Chemistry & Maths in class XI & XII.

Four Year Classroom Program **for JEE (Main), 2018**

This Program also helps the Student to excel in NTSE, X Board, XII Board & Other Engineering Entrance Exams.

FIITJEE is an institute which not only preaches high standard of ethics and value systems but also follows the principles in letter & spirit. Therefore, we always tender honest & correct advice to every Student & his/her Parents. When Students fail to get a Rank in JEE (Advanced) or more precisely fail to get a rank in JEE (Advanced) which can give them a branch of their choice in an IIT, they fervently start hoping that they get a good rank in final JEE (Main) merit list (prepared on the basis of JEE (Main) Marks as well as XII Board marks).

Best way to prepare for a career in Engineering is a holistic preparation in JEE (Advanced) & JEE (Main), XII Board Exam and Other Engineering Entrance Exams in a synchronized manner. Some Students however need to focus only on JEE (Main), XII Board Exam and Other Engineering Entrance Exams for best and optimum career options.

Four Year Classroom Program for JEE (Main) - There will be no difference in studies as compared to Four Year Classroom Program for IIT-JEE (Advanced) until Class XI or till the entire course for IIT-JEE (Advanced), 2018 is finished. After that just like Four Year Classroom Program for IIT-JEE (Advanced), **Students of Four Year Classroom Program for JEE (Main) will realign the goal to IIT-JEE (Advanced) or JEE (Main).**

Transformational Program

Entire course will be covered in 15 phases. Our Academic Phase Plan covers the entire syllabus of JEE (Main) and JEE (Advanced) ❖ Single comprehensive study material: Additional problems will be supplemented wherever necessary. Students should not require any additional books etc. ❖ Work Books for Home Assignment ❖ All India internal Test Series (AliTS) ❖ Common Phase Tests across the country ❖ Chapter Practice Problems (CPP) ❖ Rank Potential Index (RPI) ❖ Mock Board Test Papers ❖ NTSE Mock Test Papers ❖ Regular feedback & Test Analysis Sessions ❖ All India Test Series (AITS) ❖ Mock Board Test Series across the country for all FIITJEE Students ❖ Rank Improvement Program (RIP) ❖ Grand Masters Package (GMP) ❖ Rankers Test Paper File (RTPF).

ATHENA is basically **SUPREME** Program. There will be no difference in studies until Class XI or till the entire course for IIT-JEE (Advanced), 2018 is finished. After that just like **SUPREME**, Students of **ATHENA** will realign the goal to IIT-JEE (Advanced) or JEE (Main).

These Programs are dream of FIITJEE Team to bring renaissance in the Indian Education System and we try to move towards Ideal School Education. However about 2100 hrs. of classroom teaching constant input with FIITJEE Team is envisaged. Dedicated academic operations team provides feedback at any point of time apart from scheduled Parent - Teachers meetings.

FIITJEE prepares you for IIT-JEE (Advanced) & JEE (Main) in a Pattern Proof Mode. This means that you are prepared to give your best and optimum performance even if the pattern of the exam is changed at the last minute. We are the only institute whose Students do well not only in IIT-JEE (Advanced) but also in JEE (Main), XII Boards & Other Engineering Entrance Exams. All FIITJEE Students who qualified for JEE (Advanced) also scored well in their XII Board Exams thus figuring in the Top 20 percentile of their respective Boards.

All FIITJEE Integrated School Programs are part of our social efforts and the fee that we charge is less than the cost of delivery of these programs. We encourage Students / Parents to choose an Integrated Program over after-the-school regular program to prepare for IIT-JEE without additional stress.

CLASSROOM PROGRAM FOR XII PASS**SPECIAL**
CLASSROOM PROGRAM**for IIT-JEE (Advanced), 2015**

The Program will automatically ensure that you excel in JEE (Main).
The Program also helps the Student to excel in Other Engineering Entrance Exams.

This Classroom Program is especially designed for those FIITJEE students who qualify in IIT-JEE but want to improve their Rank in next IIT-JEE. Basically this program has been framed around One Year Extended Classroom Program. The focus of the program is to work with student without any limit or boundary, depending upon student's need. The entire curriculum is divided in four phases. Total duration of the program is about 500 hours which includes doubt removal sessions, Rank Enhancement Program, Rank Potential Index, Chapter Practice Problems, Classroom Learning Improvement Program, Phase Tests and Tests of All India Test Series, Test Analysis Sessions etc. Our Academic Phase Plan covers the entire syllabus of JEE (Main) and JEE (Advanced).

Admission Test Date : 22nd June, 2014

Batch commencement : 10th July, 2014

All FIITJEE students enrolled (for IIT-JEE Advanced, 2014) in Classroom Programs, Rankers Study Material (RSM), Test Series (AITS), Grand Masters Package (GMP) & Rankers Test Papers File (RTPF) will get Tuition Fee waiver from 25% upto 100 % for Special Classroom Program for IIT-JEE Advanced, 2015.

For FIITJEE Centres offering this program, please refer to Program Availability Grid available at the Centre.

For Admission Test & Batch Commencement Dates please refer to Dates Grid available at the Centre.

CLASSROOM PROGRAMS FOR XII PASS

ONE YEAR CLASSROOM PROGRAM

for IIT-JEE (Advanced), 2015

The Program will automatically ensure that you excel in JEE (Main). The Program also helps the Student to excel in Other Engineering Entrance Exams.

The entire course is divided into 3 phases. It includes classroom contact hours of approx 240 hours. However, the actual total input provided to the student is more than 320 hours. Our Academic Phase Plan covers the entire syllabus of JEE (Main) and JEE (Advanced).

All FIITJEE students enrolled (for IIT-JEE Advanced, 2014) in Classroom Programs, Rankers Study Material (RSM), Test Series (AITS), Grand Masters Package (GMP) & Rankers Test Papers File (RTPF) will get Tuition Fee waiver from 25% upto 100% for One Year Classroom Program for IIT-JEE Advanced, 2015. Please contact your nearest FIITJEE centre in April, 2014 for more details.

All students qualifying in IIT-JEE Advanced, 2014 (in Common Merit List) will get Direct Admission to One Year Classroom Program for IIT-JEE Advanced, 2015. For scholarship these students can appear in the admission test (Scholarships are awarded on the basis of performance in the admission test).

ONE YEAR CLASSROOM PROGRAM

for JEE (Main), 2015

This Program also helps the Student to excel in Other Engineering Entrance Exams.

FIITJEE is an institute which not only preaches high standard of ethics and value systems but also follows the principles in letter & spirit.

Therefore, we always tender honest & correct advice to every Student & his / her Parents.

When Students fail to get a Rank in JEE (Advanced) or more precisely fail to get a rank in JEE (Advanced) which can give them a branch of their choice in an IIT, they fervently start hoping that they get a good rank in final JEE (Main) merit list (prepared on the basis of JEE (Main) Marks as well as XII Board marks).

There will be no difference in studies as compared to One Year Classroom Program for IIT-JEE (Advanced). Towards the end of the program just like One Year Classroom Program for IIT-JEE (Advanced), **students of One Year Classroom Program for JEE (Main) will realign the goal to JEE Advanced or JEE Main.**

SCHOLARSHIPS BASED ON SCHOLASTIC ACHIEVEMENTS

- Note 1** : Any Student can avail only one scholarship (including cash scholarships awarded through Talent Reward Exams etc.) during his / her entire academic session of the program he /she joins at FIITJEE. In case a Student is eligible for / awarded more than one scholarship under different criterion, he can avail the scholarship amount whichever is higher but already availed scholarship amount will be deducted from the same. The benefit of higher scholarship (excluding cash scholarship awarded through Talent Reward Exam etc.) will be given only from the date of such award on the balance proportionate fee i.e. {gross fee at the time of enrollment - (initial scholarship amount availed + cost of services availed till the month of such award)}. The amount will be refunded after the realization of payment of the last installment of Program Fee.
- Note 2** : The mentioned scholarships on the basis of NTSE / JSTSE / SSTSE / MTSE / KVPY / Olympiads are applicable only for those Students qualifying in the general category only.
- Note 3** : The photocopy of the original certificate / marksheet of NTSE / JSTSE / SSTSE / MTSE / KVPY /Olympiads and X / XII Board should be attested by the Principal of the school last attended / presently studying.
- Note 4** : Student claiming scholarship under X / XII board performance need to deposit the photocopy of the original marksheet attested by the School Principal latest by **15th September, 2014**, after which no application will be entertained. The Scholarship amount will be paid after the realization of payment of the last installment of Program Fee.
- Note 5** : The Scholarship amount will be paid to the Student through a crossed cheque and shall be in favour of the Student only. No application for issuing of cheque in favour of parent / guardian will be entertained.
- Note 6** : In case a student **reappears** in FIITJEE test, his / her scholarship (if awarded) will be scaled down by one slab so that he / she does not have any undue advantage over fresh appearing student.

Fee Waivers & Concession

Other Category Fee Waivers

1. 25% Tuition fee waiver for Students with Physical Disability.
2. 25% Tuition fee waiver to children of War Widows (Defence Personnel).
3. 25% Tuition fee waiver to son / daughter of Defence Personnel disabled in War.

Fee Concession for siblings of Present / Ex-FIITJEEians

10% fee concession on Tuition Fee to siblings i.e. fee concession to real brothers / sisters of Present / Ex-FIITJEEians enrolled in any FIITJEE Classroom Program. Candidates will be eligible under this criteria after submission of affidavit (**format can be collected from your nearest FIITJEE Centre or downloaded from www.fiitjee.com**) with proof of study of present FIITJEEian or earlier child (ex-Students of FIITJEE) & photocopy of Birth certificates of both children (original copy of birth certificates of both children to be presented for verification at the time of enrollment).

Terms & Conditions

1. For Physically Disabled: The benefit will be given to those candidates having at least 40% permanent physical disability in relation to a body part / system / extremity / extremities / whole body etc. for any category of disability (viz., Locomotor, visual, speech, and/or hearing). The Student has to submit an attested photocopy of the certificate issued by the Govt. General Hospital. FIITJEE management's decision in this regard will be final and binding.
2. The Scholarships on the basis of X board performance / fee waivers / fee concessions are valid only after qualifying FIITJEE's Admission Test of the respective program.
3. The final discretion of award of scholarships / fee waivers / fee concession in each case will remain with FIITJEE and the decision will be final and binding on the candidate.
4. The mentioned scholarships / fee waivers / fee concession are applicable for those Students who enroll themselves between November, 2013 to August, 2014.
5. Any Student can avail only one of the "Other Category Fee Waivers" during his / her entire academic session at FIITJEE.
6. An eligible Student can get the combined benefit of any one of the "Other Category Fee Waivers" (as mentioned above) along with the "Fee Concession for siblings of Present / Ex-FIITJEEians" and Scholarship if awarded i.e. all the benefits can be compounded as stated in the following example.

For example, if a physically disabled sister / brother of present FIITJEE Student who is already enrolled in any Classroom Program qualifies in our Admission Test with a scholarship of 50% on Tuition Fee and if the Tuition Fee of the Classroom program offered to the Student is Rs. 10,000/- , the final Tuition fee payable by the Student will be calculated as follows

1. Rs. 10,000 less 50% scholarship = Rs. 5,000/-
2. Rs. 5,000 less 25% (Physical Disability Waiver) = Rs. 3,750/-
3. Rs. 3,750 less 10% (Sibling concession)= Rs. 3,375/-

So, the actual Tuition Fee payable by the said Student will be Rs. 3,375/- plus applicable Service Tax.

TEST SERIES PROGRAM FOR **CLASS XI, XII & XII PASS****One Year All India Test Series for JEE (Main) & IIT-JEE (Advanced), 2015****Two Year Integrated All India Test Series for JEE (Main) & IIT-JEE (Advanced), 2016*****with additional benefits*****Concept Strengthening Classroom Program****On-line Test Series****On-line doubt removal support****On-line tips & illustrations****Marks also on web for each test with analysis chart
at www.fiitjee.com**

Preparing well for JEE is one thing and transforming the knowledge & skills into success on the JEE day is another. Many Students are not able to adopt the right approach and proper examination temperament, as they do not have the right feedback on their preparation. If you fail in JEE it is a permanent loss, which is irreparable and mistakes committed are uncorrectable. Test Series will teach you how not to fail. It is an opportunity for you to ensure that you convert your skills into success on the JEE day. Test analysis worksheets are provided to help the Students realize:

- ❖ Correlation between percentage of marks attempted & marks obtained.
- ❖ Silly mistakes, which could have been avoided.
- ❖ Psychological temperament required to perform optimally in the exam.

Level of difficulty in the tests is changed strategically to prepare Students for all types of papers - very difficult to relatively easy ones. It has been observed that JEE papers have been coming up with a different kind of content in one or the other subject in terms of level of difficulty & style of the paper. FIITJEE Test Series (with Concept Strengthening Classroom Program) will ensure you do not suffer any setbacks due to these fluctuating trends. The quality of our test papers is evident from the fact that many questions of IIT-JEE 1995 to 2013 are either identical or similar to questions, which were part of tests conducted by FIITJEE.

TEST SERIES PROGRAM FOR CLASS XI, XII & XII PASS**Concept Strengthening Classroom Program (CSCP)**

Test series test will be followed by a Concept Strengthening & Test Analysis cum doubt removal program in each subject of Physics, Chemistry and Mathematics conducted by expert FIITJEE faculty members. The key points of this program will be as follows:

- Subject discussion of each paper with emphasis on several ways of attempting a question, wherever possible.
- How to improve strike rate & how to overcome the mistakes that a Student often makes during the exam will also be discussed.
- Strategy to attempt the paper of any different difficulty level or pattern.
- Eliminating conceptual doubts, plugging the loopholes related to the papers.
- Strategies for time management during preparation and on the day of the exam.

Eligibility Criterion : Candidates must have secured 75% marks in (Science + Maths) / PCM in X or XII from CBSE, ICSE, Andhra Pradesh, Anglo Indian, Haryana, Kerala, Maharashtra, Tamil Nadu and West Bengal Boards. 70% marks in (Science + Maths) / PCM in X or XII from other Boards. For Two Year Integrated All India Test Series for JEE, 2016, candidate must have passed X Board in the year 2014.

FIITJEE WORLD SCHOOLS**FIITJEE**
WORLD SCHOOL

FIITJEE continuing with its tradition of innovation and setting new benchmarks in the education domain has conceptualized and embarked onto the path of establishing FIITJEE World Schools for Students of Class VI, VII, VIII, IX & X. Established under the aegis of FIITJEE Foundation, FIITJEE World Schools is a concentrated effort towards preparing Students for admission to World's Top Universities & IITs within the regular school timings.

Our Main Aim

Prepare Students comprehensively to compete in all scholastic / competitive exams relevant for that Class.

- To facilitate Student's success in various competitive & scholastic exams in India e.g. NTSE / National Science Olympiads / IIT-JEE / KVPY / CPT / CAT / JIPMER / AIIMS / PMT etc. and enable Students to secure admission in World's Top Prestigious Colleges / Universities.
- Students will be prepared extensively for Advanced Placement Tests (US College Board), SAT-II subject tests (US College Board), SAT-I and TOEFL for admission into colleges / institutes / universities ahead of IITs in the World Rankings.

Ideal School Education

...is one where you do not have to make choices. Choices between performance in boards or competitive exams. Choices between academics and extracurricular activities. Choices between learning and remembering. And most importantly choices between enjoying education and not being stressed by it.

Ideal School Education is one with a holistic approach that is comprehensive, so that there is no need for any sort of coaching / tuitions / supplementary support services. Where the goal is not just good marks in the Board exams and, in the pursuance of this goal, other areas like competitive exam preparation etc. are not neglected / discouraged. Where a child is not stressed during the pursuit of a good performance in the board exams and in the competitive exams. And where the child is able to deliver his / her best in both – boards as well as competitions – that too by having to go through a single system of learning. Where the extracurricular activities are in consonance with the overall objective of wholesome education – making Students ready for global careers as well as enabling them to conduct their lives in a much desired, honest, ethical and truthful manner.

FIITJEE WORLD SCHOOLS**Truly Complete Ideal School Education @ FIITJEE World School**

**Providing wholesome education & preparing
Students for life long excellence**

**Focusing on essential life skills
& ethics – enabling Students to lead a better life**

**Nurturing and developing thinkers and
opinion makers**

**Giving a platform to Students
for global careers**

**Grounding them in solid
Indian Value Systems**

**Making education a completely enjoyable process
by eliminating stress out of the child's life**

FIITJEE World Schools are operational at Hyderabad since April, 2010 at the following locations :

- | | | | |
|-------------|-----------------|-----------------|-----------------|
| 1. Ameerpet | 2. Dilsukhnagar | 3. Narayanaguda | 4. Secunderabad |
|-------------|-----------------|-----------------|-----------------|

FIITJEE World Schools at Hyderabad are boutique schools with hostel facilities.

FIITJEE World Schools at Hyderabad are affiliated to SSC Board – Andhra Pradesh (till Class X) and Inter Board (Class XI / XII). We are simultaneously seeking International Baccalaureate (IB) affiliation. The International Baccalaureate (IB) curriculum is the most accepted curriculum for admission to US Universities. However, the Students will have a choice to choose the board of their preference.

FIITJEE WORLD SCHOOLS

Enhancing IQ and Raising Competition

Internal Competition and Appraisal Programme (ICAP)

Our weekly objective test (based on micro-scheduled teaching during that week) helps children in continual learning and grading where the child is not burdened just before the exam to learn many things.

Thus a Student in FIITJEE World School is NEVER unhappy or tensed about any exam as learning is a constant UPGRADING, ENRICHING, and ENTHRALLING experience.

Individual Assessment and Development Programme (IADP)

This is our month end exam which is based on the month long learning of the child in different subjects. This is a Subjective Paper designed to hone the writing skills of the child.

Visual and Performing Arts as a medium of Relaxation

Arts of different mediums in our Schools (Painting, Music, Dance) is for relaxation so that they improve Student's classroom performance. They are forms of giving an output to their parallel medium of communication.

Games like Spell-O and Chess are introduced to keep their concentration sharp

On an everyday basis we have Yoga and Meditation classes which helps children to relax and concentrate better in their classes

Inter-House Competitions

The Schools are divided into four houses where in at regular intervals competitions like Debates, Declamation, Quiz, Dancing, Singing, Theatre, Bulletin Board etc. are being conducted.

FIITJEE WORLD SCHOOLS

Extra Curricular

Creating Global Indian Citizens

Recognizing the fact that Schools need to play a proactive role in nurturing and developing personalities and preparing the Students as global citizens with a strong grounding in Indian Value system, FIITJEE World Schools aim for:

1. Proficient & Confident Communication ability for each and every Student.
2. Inculcating Sports / Exercises as a discipline for physical fitness throughout the life of each Student.
3. Improvement of Memory, IQ, Mental, Physical & Spiritual well being, Awareness & growth through Intensive Yoga & Meditation for each Student.
4. Instilling Indian Culture and Values in each Student, not to learn all this as History & Geography but learn to live like that.
5. Developing personality traits (Focus, Effective Communication, Leadership Ability, Determination, Strategic Planning, Pro-active Approach, Handling Failures, Stress and Positive Attitude required etc.) for success. (This is what corporate sector tries to teach employees who are 25 - 55+ years of age and hardly respond to changes required).

Individual Development Program (IDP)

- In FIITJEE World Schools, irrespective of IQ levels of the children, best learning environment is provided for nurturing their inherent talents and honing their skills.
- Recognizing the major anomalies in the current education system, FIITJEE World School has come up with a unique Individual Development Program (IDP).
- IDP through an ongoing Mentorship endeavours to provide equal opportunities to every single Student.
- The Mentorship is individualized and its sole objective is to identify, develop and enhance the inherent talent / skills in every single Student.
- Not restricted to the academic aspects only, IDP ensures the development of the core soft / life skills of the Students.

Residential Facilities

World-class Hostel facilities that promote a sense of well-being among children in a conducive environment to nourish them and enable them to blossom into ideal human beings.

FIITJEE WORLD SCHOOLS**Ensuring Success Through**

- Integrated Curriculum (CBSE, ICSE, SSC) which gives a wider and deeper understanding of the subject.
- Conceptual learning rather than rote learning.
- Dedicated Faculty with in-depth knowledge about the subject.
- Equal emphasis on Development of language skills along with other subjects.
- MAT Classes which most of the schools even now are unaware of.
- Continuous grading, assessment of the child.
- Personal mentoring outside Class in addition to mentoring and doubt clarification sessions.
- No requirement of any extra help from anywhere else.

USA UNIVQUEST (A FIITJEE Initiative) - Enabling Indian Students to go to the World's Best Universities in USA

When Children go to a Foreign Country in their adolescent years, particularly in the age-group of 16 -19, more often than not they are confronted with complex Emotional and Cultural challenges. Such challenges can be alleviated in advance through a combined process of expert counseling and structured guidance to prepare them psychologically, culturally and socially.

In India, there is a problem of far too many Student aspirants chasing a limited number of seats for higher education in premier institutions like IITs, DU, NITs, AIIMS and AFMC.

The goal of **USA UnivQuest** is to enable Students who cannot be absorbed within the domestic framework due to the paucity of premier Institutions, yet otherwise have brilliant academic potential, to get into the World's best Universities in USA; which clearly justifies academic aspirations.

In order for children to come out as winners, it is imperative that they embark upon serious preparations starting from Class IX. So we urge you to make an assessment and prepare your child right from class IX until they reach senior school.

USA UnivQuest has Programs for Students of **Class IX, X, XI, XII** & even **XII Pass** to channelize their energy towards definitive success for getting admitted in Institutions that are comparable or even better than India's Best. **USA UnivQuest** not only prepares them academically but also provides them with various tools of knowledge that would help them face up to the emotional, cultural or social challenges they may face in a foreign land.

Visit www.usaunivquest.com to know about various Programs available.

What is SAT ?

The **SAT** is a standardized test for college admissions in the USA. It assesses a Student's academic readiness for college. The SAT tests a Student's knowledge of reading, writing and math—at school level. The Current SAT takes three hours and forty five minutes excluding breaks.

In 2005, the test was renamed the "SAT Reasoning Test" with possible scores from 600 to 2400 combining test results from three 800-point sections (math, critical reading, and writing), along with other subsections scored separately.
