"My success story began at Sriram Law Academy", says Prahalad, All India Topper of NLSIU entrance exam, 2006. SRIRAM has been an extremely vital part of my preparation for Law School Admission Test. Most of the work needed to get into the law school was done by Sriram Law Academy. I think that is amply illustrated by the fact that all the students of SRIRAM have fared quite commendably. All the Logical reasoning, Legal reasoning and aptitude, and to a large extent, GK, Maths and Science were taken care of by SRIRAM. Even though English is a subject where individual aptitude is needed, Sriram Law Academy still helped me in the subject through mocks and material. The personal attention showed by Hema Ma'am and Raman Sir also deserves special mention.

I feel like I'm living a dream today and the course I took at Sriram Law Academy and Prof.Hema Raman are crucial contributors to its coming true. At every step of my preparations for the CLAT, I had the support and guidance that I needed. The motivation and commitment of the outstanding faculty is inspiring. The courseware is very lucid and comprehensive. Doubts were always promptly clarified and the online mocks were a great boost to my final preparations. Apart from the academic input, we were given opportunities to interact with successful CLAT takers which immensely helped us get insight into just what it takes to crack the exam. In a competitive exam like the CLAT, it is vital to keep pushing the envelope and that is precisely what we were motivated to do at Sriram Law Academy. Kudos to Sriram for its outstanding coaching program!

SRI RAM LAW ACADEMY's role was very crucial for my performance in CLAT 2010 examination. The mock tests were well made and tested and improved my level of knowledge. It gave an excellent insight of the CLAT paper which I believe has helped to improve my performance. Finally I would like to thank everyone at SRI RAM for providing me with such excellent material.

PRAGYA VATS

The modules and mock tests formed a vital part of my preparation, and the test-taking strategies provided proved to be the key to finishing and scoring well on the lengthy NLUD exam. However, it is the personalised attention that one receives at SRI RAM that puts it in a league of its own. I can confidently say that I would not be in a position to type out this letter today without the relentless effort and encouragement of Prof. Hema Raman. Her explicit belief in my potential motivated me to work harder, and that has made all the difference.

**NAYANTARA

AIR 4, CLAT 2011,
AIR 11 NLU D

Preparing for CLAT 2011 was as interesting as it was challenging. The new pattern was a welcome change- there was a clearly defined syllabus for GK and the Legal section tested understanding of principles rather than Legal knowledge. Sriram Law Academy played an essential role in my preparation with their mock tests and their excellent material.

A thorough study of the Legal Reasoning books left me well equipped to deal with both CLAT and the NLU-Delhi entrance examination.

Sriram Law Times provided an excellent source for current affairs along with the GK supplements.

The most important part was the great deal of personal attention provided. It was reassuring to know that Hema Ma'am was there to clear any doubts I might have and assist me with my preparation.

Thank you so much for your great support and encouragement throughout this whole journey! It's completely thanks to Sriram Law Academy that I was able to crack the test; it was amazing to see that almost the whole legal section consisted of questions from our Legal Aptitude handbook, and were discussed beforehand in class as "important"!

The exam appeared to be a cakewalk, and by good fortune, I managed to clear the cut off.

Spadika Jayaraj [Bangalore] enrolled with SRIRAM LAW ACADEMY for SRIRAM RAPID COURSE.

Thank you very much for your wishes! I signed up for the SRIRAM TARGET PLUS program in 2009, and I would like to acknowledge the positive impact of your course material, mocks, weekly tests and GK updates on my preparation. The modules, specifically the Maths and GK notes, were very thorough and comprehensive. Most of all, thanks to your course and everything it entailed, I was able to strike a fine balance between CLAT and IIT HSEE preparations. And today, I'm happy to say that I have secured AIR 14 in CLAT, and have also made the cut with regards to the IIT-HSEE. Thank you for everything.

2012 – NLU Delhi Results

History dates back to 1000 AD. Davanagere, once the biggest township of the Pallava Empire, is one of the 30 districts in Karnataka. The name “Davanagere” may have been evolved from the word Davan-kere [God’s Tank].

*From this part of our country, a young lad **Ashwiji Ramaiah** grew up and nurtured a dream to become the first lawyer from his family. He came to Sriram Law Academy and has created history.*

*On 18th May 2012 at 4 PM as soon as the AILET 2012 results were declared, Ashwiji’s father, Mr R. Suresh got in touch with Sriram Law Academy to share the great news that his son Ashwiji topped the All India Merit List of AILET 2012 with a whopping score of 113/150. **Here’s Ashwiji on the memory lane.***

When I enrolled for SRIRAM RAPID COURSE, I was totally clueless what CLAT was...And rapid course brought me out of ignorance. I felt myself exposed to students who ate, dreamt and spoke CLAT all the time which made me realize how tough the competition would be. I really enjoyed every class and the teachers made sure CLAT preparation becomes more of a pleasure than pressure, especially legal reasoning...And of course quizzing among friends competing with roommates and writing mocks both online and in classroom prepared me completely to the warpath ahead.

Writing online mock exam was extremely helpful especially in managing the time...Writing 10 mocks of CLAT pattern gave me a first-hand experience.

The quality of the questions given by SRIRAM particularly in GK sections was unparalleled, plenty of questions in CLAT exam also appeared from the SRIRAM MOCKS I had solved...Moreover I had the facility to know my ALL INDIA RANKING among SRIRAM students, which gave me an idea of how many meticulously people had been preparing.

I was satisfied that I had fulfilled my duty of working hard, and since in SRIRAM mock exams my name used to find place on the top of rank lists, I was feeling pretty confident too. But I had never imagined that I would be ranked AIR 1. On the whole the competition element made law test preparation all the more exciting.

*With gratitude,
Ashwiji*
