

## **About Jamboree**

Jamboree is a leading institute offering specialized classroom and online coaching solutions for study-abroad entrance exams like GMAT, GRE, SAT, TOEFL and IELTS. Established in 1993, Jamboree has consistently expanded its presence to 35 centers across 22 cities and 4 countries. Our unique teaching methodology simplifies test preparation and ensures maximum results with minimum effort. Our problem-solving techniques help students tackle exam questions with high speed and accuracy. Regular doubt-clearing sessions and extensive mock tests make them exam-ready in all aspects.

Jamboree's Admissions Cell, started in 2003, provides students with excellent applications guidance and support. Since its inception it has helped countless students realize their dream of studying at prestigious colleges like Oxford, Harvard, Stanford, Yale, NYU, MIT, Caltech, etc.

## **SAT Classroom Program**

SAT Classroom is a 60-hour intensive prep course that is designed to help students score high on the SAT. Highly expert faculty imparts simplified techniques to solve questions in the shortest possible time thereby maximizing the number of correct attempts. Besides problem-solving skills, we also help you build your concentration and stamina to sit through a four-hour test. 9 official SAT tests and additional full-length mock tests grill your understanding of core SAT concepts in an exam-like environment. Exhaustive set of practice questions, doubt-clearing webinars, unlimited access to a full-stocked library and course validity of 1 year ensure that you tackle the SAT with ease.

## **SAT Live Online**

SAT Live Online is an SAT prep course with a duration of 92 hours. Classes, taught by some of our finest faculty, are offered via live webcasts. Exhaustive study material, unlimited one-on-one doubt-clearing sessions, graded and proctored paper-based tests and detailed progress reports ensure that you score to the best of your ability. 9 official SAT tests and additional full-length mock tests grill your understanding of core SAT concepts in an exam-like environment. To enhance preparation experience, 4 hours of complimentary TOEFL prep is offered free of cost. Save commuting costs, save time and prepare hassle-free at the comfort of home.

## **SAT Private Tutoring**

A one-on-one SAT prep course meant for those who need extra hand-holding, SAT Private Tutoring offers preparation assistance in the conventional way. Expert tutors help you build a

customized study plan and provide you with step-by-step concept-building and problem-solving guidance. Choose your own prep pace, master a topic completely before moving on to the next one and work steadily towards achieving a great SAT score.

### **SAT Subject Test Live**

SAT Subject Test Live is a 16-20 hours prep course designed to cover all aspects of SAT subject test preparation. The course is offered online and helps you master all relevant SAT concepts with ease. An exhaustive collection of real SAT subject test practice questions gives you adequate practice. Full length mock tests, on demand doubt-clearing sessions and course validity of 1 year makes you exam-ready in every way.
